We are looking to recruit an Island Engineer to safely and efficiently provide engineering services alongside the Engineering Manager.

Fully qualified mechanical or Agricultural Engineer; Proven successful delivery of projects and installations; Working knowledge of legislation and best practice; Ability to price and order for projects well in advance as no ready access to supplies; Experience of working to tight and sometimes conflicting deadlines.

This is a key delivery role on the Island providing essential services, responsible for the safe and efficient running of the engineering workshop and the delivery of engineering services to include:

- Servicing and record keeping for fleet of vehicles
- Fault finding- electrical, electronic, hydraulic and Mechanical
- Tyre changing and puncture repair
- Vehicle and equipment and painting including the preparation
- Welding – oxy-acetylene, MIG, TIG, MMA
- Design and Fabrication in mild steel, aluminium and Stainless steel
- Machine shop – Guillotine, lathe, milling and drilling etc

Range of equipment:

Agricultural Machinery: Tractors, ATV, farm implements, trailers, balers

Forestry Equipment: Kubota 4wd RTV, tractors, trailers, wood chipper, shredder, splitter, JCB 3CX with log grab, sawbench etc

Horticultural Equipment: Kubota compact tractors, small tipping trailers, lawn mowers, hedge trimmers, strimmers, leaf blowers, rotavators etc

Plant: Forklift trucks, telehandler, crane, wheeled diggers, tracked excavators, dumpers, concrete batchers, cement mixers, tandem roller, concrete screeders, generators (single 110 v & 240v and three phase 415v) etc. Site lighting, compressors, plate compactors, rock & concrete crusher etc

Road Vehicles: Piaggio / Daihatsu, Nissan, Iveco & Suzuki pickup trucks and vans. Yamaha & Club Car golf buggies and utility vehicles (petrol and electric). Estrima Biro electric car. Fire tender.

Responsible for using mechanical problem solving skills to repair and maintain equipment and installations, from across the commercial outlets and residential properties of the Estate. Implementing and undertaking a regular maintenance program for all Estate equipment, in line with manufacturers' guidelines and current legislation under the supervision of the Engineering Manager. Ordering parts and equipment as required in compliance with Estate budget and procurement policy. Ensuring all administrative procedures and record keeping are accurately followed and in compliance with Estate policy. Assist with updating any functions in line with technological improvements. When required assist other service members on larger projects outside of engineering.

Be on call for 2 weeks in 4 (including weekends), this is very rarely required.

Be aware of and compliant with health and safety within the workshop and office environment. Ensuring all appropriate PPE is used. Act at all times in accordance with appropriate legislation and regulations, codes of practice, and Tresco Estate's policies and procedures.

About Tresco Estate

Tresco Estate is a family-run business on the Isles of Scilly, 28 miles from the Cornish coast, comprising Tresco Island, and Hell Bay Hotel on the neighbouring island of Bryher. Tresco Island comprises timeshare and rental cottages, two restaurants, an inn, a world famous garden, gallery, leisure spa, shop and a working farm. Hell Bay Hotel on Bryher is an award-winning boutique hotel with 25 suites, a 3 AA Rosette restaurant, Crab Shack, therapy shed, yoga studio and outdoor pool.

Working & Living Here

We offer excellent rates of pay, provide all staff with accommodation and pay for your travel from Penzance at the beginning and end of your contract period. All of our staff are paid at National Living Wage or above, and many positions offer gratuities and the option of paid overtime. We know a good team member when we see them, and there are regular opportunities for progression within our business.

Tresco and Bryher have small and welcoming communities and share a small school, located on Tresco.

Besides getting to work on a beautiful island with the beach on your doorstep, you'll also receive extensive benefits. These include 20% discount in our shop and restaurants, complimentary boat tickets and free use of camping equipment and kayaks to explore the islands, and preferential rates in our holiday accommodation so friends and family can come and visit.
