

ACCOMMODATION RULES

Harstad Turlag opens the cabins from May 29, 2020.

What is brand new is that it is NOT possible to go to a cabin WITHOUT booking in advance.

All visits to the cabins MUST be booked in advance! Booking is done via the cabin pages on Ut.no as usual. The reason that all accommodation must be booked is that we can track infection. If visitors arrive at the cabin that has not booked, they should not have access to the cabin.

Visitors are themselves responsible for cleaning, both during the visit and when leaving the cabin

This is a bit more stringent than usual due to infection risk. Disposable detergents should be used, and surfaces that are frequently affected should be disinfected with chlorine. See spreads and equipment on the individual cottage. Bring your own garbage bags, and remember to take them home when you leave. We do not have renovations at the cabins.

Visitors must bring their own pillowcase. It is possible to use sheets or sleeping bags

Everyone who is going on a cabin trip must be healthy and in good general condition. Suspects that you are infected, have a cold, have respiratory ailments, fever or feel weak - stay home!

If you have symptoms of respiratory infection, do not visit our cabins! This also applies to mild symptoms.

Plan hand hygiene measures out and about.

Bring plenty of wet wipes, soap and alcohol-based disinfection. Bring your own garbage bags and **take garbage home with you.**
