Closing date for applications: Monday 4 May 2026 at 22:59pm

Interview date: Wednesday 13 May 2026

BHASVIC is one of the top-performing colleges in the country, situated in the cosmopolitan seaside city of Brighton & Hove. Working here offers the combination of both a wonderful place to work and a great city in which to live. Our students and staff are aspirational and hard-working – which is perhaps why 96% of employees would “recommend BHASVIC as a good place to work” and many of our students go on to Higher Education.

BHASVIC is seeking to appoint an outstanding **Teacher of Business**. The post has arisen to cover a colleague reducing their hours. It would be advantageous if candidates have the flexibility to teach both A level and BTEC qualifications, and the flexibility to teach both Business and Economics, though this is not a requirement for the post.

The successful candidate will join a vibrant college community which is open, friendly, and supportive. As a college, we are ambitious for our students, and we are seeking to appoint staff who can bring the right blend of flexibility, commitment, energy, and vision. We welcome applications from teachers with ideas, enthusiasm, and a strong teaching ability, who can work within the diverse demands of the department whilst maintaining its recognised strengths and attributes.

Contract details:

- **Permanent, starting 01 September 2026**
- **Part time – precise hours tbc but in the range between 0.413 FTE (9.5 hours) and 0.587 FTE (13.5 hours).**
- **The current full-time salary range for qualified teachers is £33,465 to £51,714 per annum (depending upon experience). This will be pro-rated based on your FTE.**
- **You will automatically become members of the Teachers’ Pension Scheme (TPS) www.teacherspensions.co.uk.**

The Business and Economics Department

Our Business provision falls within the Business and Economics department, led by Head of Department, Andy Shepherd. The department is a large, experienced, and dynamic team of staff, currently comprising fourteen mostly full-time teachers. Teachers follow a common scheme of work and there is a very clear philosophy of collaborative teaching and learning. All assessment resources are generated collectively and shared across the department. This appointment, therefore, is ideal for a teacher whose background might be in 11-16 schools, who is seeking to extend their experience of A level and level 3 BTEC

BHASVIC

teaching in a fully supportive environment. Similarly, experienced A level or BTEC teachers would flourish in the stimulating company of expert practitioners.

Student outcomes in Business and Economics are outstanding. High grade rates [A*-B, and D*-Ds] for all courses hover around 65% each year with equally consistent ALPS and 6 Dimensions value-added levels. More of our students than any other subject area go on to Higher Education, with many winning places at elite Russel Group institutions. We are ambitious for all our students and aim to develop their knowledge, skills, and experience in a stimulating learning environment. We deploy varied strategies of teaching, learning, motivation and tracking so that all students can access the understanding and knowledge needed to prepare them effectively for examination and beyond. Similarly, we are inclusive, supportive, and work very closely with the college's pastoral and ALS [Additional Learning Support] teams to help every student, irrespective of their characteristics, achieve their potential. All teachers have "subject extension" time as part of their contract which is dedicated to individual and small group support in addition to their timetable. We are lucky to have eight dedicated classrooms, each with an interactive whiteboard, and one with a suit of PCs.

Courses and Specifications

Over 500 students are currently studying A Level Business, following the AQA specification, and just under 200 students are studying for the Business BTEC National Extended Certificate. In addition, we have over 650 students who are currently studying A Level Economics, following the AQA Specification and we also offer an extensive range of alternative courses and enrichment opportunities such as Investor Challenge and Personal Finance alongside numerous opportunities for employer engagement which we believe to be critical to our students' academic and personal development.

Overview

The BHASVIC Business and Economics team have worked effectively and tirelessly to reach their current and nationally recognised levels of excellence. As a college we are ambitious for our students and seek to appoint candidates who can bring the right blend of flexibility, commitment, energy and vision. We welcome applications from experienced teachers with innovative ideas, enthusiasm and a strong teaching ability who can work within the diverse demands of the department whilst maintaining its recognised strengths and attributes. We also welcome applications from teachers at the beginning of their career who are keen to learn and develop as part of our highly experienced, supportive, and nurturing team. Early Career Teachers would be entitled to a discount on the standard full-time teaching load in the first two years of their contract. Above all, we are looking for someone who is inquisitive, reflective, a strong team player and who genuinely strives to improve teaching and learning. If you would like to find out more or would potentially like to visit us prior to the application deadline, please contact our HR department. This is an exciting time to join an outstanding department within an outstanding college, and we very much look forward to hearing from interested applicants.
