A-LEVEL ECONOMICS STUDENT WORKBOOKS

Introducing our range of student workbooks for A-Level Economics - each tailored precisely to the requirements of the AQA or Edexcel (A) specifications.

KNOWLEDGE BOOKS

The ultimate knowledge organisers that students complete themselves! Precisely mapped to the AQA and Edexcel specifications to ensure students cover everything they need to know.

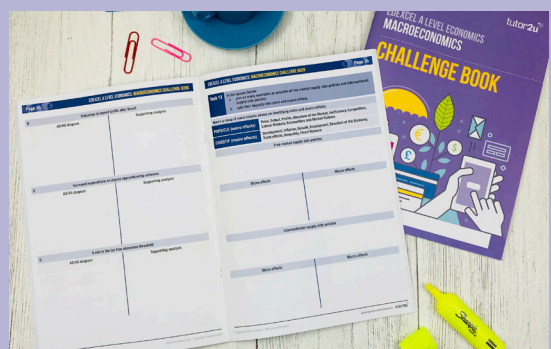

DIAGRAM PRACTICE BOOKS

Comprehensive suites of exercises to encourage students to develop their ability to create and use dynamic diagrams that access the higher-order marks.

CHALLENGE BOOKS

Structured research activities to stretch and challenge more able students. Ideal for flipped learning and more challenging Economics homework.

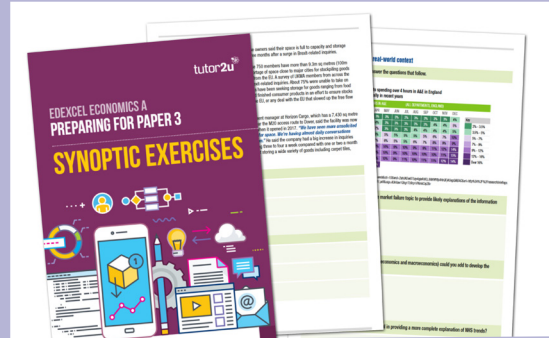

TEACHER REVIEW COPIES AVAILABLE ON REQUEST - PICK UP TO FIVE WORKBOOKS FOR US TO SEND TO YOU FOC. SEE OVERLEAF...

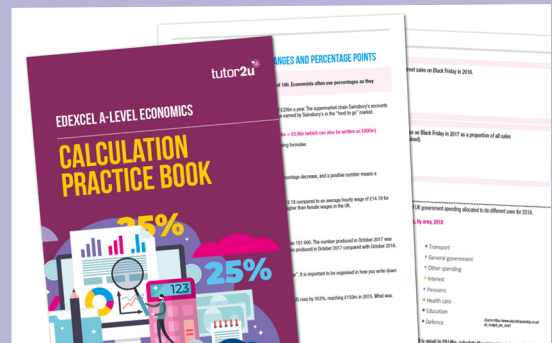

SYNOPTIC EXERCISE BOOKS

Structured activities that meet the precise assessment format and challenges of the AQA & Edexcel specifications respectively. Help students prepare for Paper 3 + an ideal revision workbook for Paper 1 and Paper 2

CALCULATION PRACTICE BOOKS

Packed with activities to help students develop their confidence and practice all the quantitative & numerical skills required for A-Level Economics. Perfect for homework, cover & revision.

We know Economics teachers love a bulk discount!

So, to make our workbook prices even more attractive...

THERE IS A 15% BULK DISCOUNT APPLIED TO ALL ORDERS OF 4 OR MORE WORKBOOKS!
