Adaptable and engaging solutions that can be tailored to meet your requirements.

Interactive Tree Display

A colourful tree designed as an interactive display to be used for example as a **Book Review Tree** or a **Prayer Tree**. The design has small acrylic hooks placed within the graphic allowing for children's work (hand written book reviews or prayers) to be displayed and changed regularly.

Ideal for a wall display in foyers, corridors, hall or library areas.

Most displays totally flexible in both size and materials to fit any environment, internal or external.
