

UKFT Member discounts on ATA Carnets, Export certificates and other documents

UKFT is a Member of Greater Birmingham Chambers of Commerce; current UKFT members can benefit from excellent discounts when applying for ATA carnets and other kinds of export documentation*

An ATA carnet is a temporary admission document commonly known as a 'passport for goods'. When taking samples overseas (outside the EU), whether you are at an exhibition or on a sales trip, an ATA Carnet is usually the most efficient and safest way to clear customs, without paying duty or taxes.

Carnets are valid for 12 months, can be used for multiple trips to multiple countries and can be processed online in under 3 hours!
