You can find full details of your course in the *Programme Specification*.

Important points

- Progression to level 5 of MEng requires a minimum of 120 credits with an average of 60%.
- Progression to level 6 of MEng requires a minimum of 240 credits with an average of 60% at level 4 and 5.
- Progression to level 7 requires: Eligibility will be based on obtaining at least an upper second class BEng Honours exit award as defined under the Programme Specific Regulations. If any of the progression requirements stated above are not met then the Board of Examiners is empowered to require the student to transfer to the BEng (non-Honours) or BEng Honours degree programme. The study pattern for students transferring onto the BEng (non-Honours) route shall be agreed on a case-by-case basis with the BEng Programme Tutor or Associate Dean of School.
- A compensated pass cannot be awarded for the MEng Team Project or the Individual Major Project.
- Students who have not achieved the minimum progression requirements at the end of level 5 may be prevented from undertaking a sandwich placement.
- Option available to undertake additional study abroad or an Industrial Placement.
- Students involved in the Formula Student competition will typically incur costs for transportation, accommodation and sustenance whilst testing and travelling to FS UK and FS Germany events. A significant cost is the cost of accommodation required to remain at the University from the middle of May through until the first week of August.

Expected workload

In the UK, a full time student is expected to spend 1200 hours on their studies each year. Please find below an estimate of how your time will be spent on this course during each year of study.
