You can find full details of your course in the *Programme Specification*.

### Important points

Live Sound and Lighting Technology students are those students who wish to focus through the lens of broadcast and live event reinforcement. Practical techniques are developed within a range of different spaces to suit differing audiences. Students also engage with the latest light-projection mapping systems as well as designing and specifying venue based audio systems.

Students are required to attend all scheduled classes and tutorials, as outlined on their timetables.

### Academic Year

#### *Academic Year 2018 - 2019*

The University's academic year is made up of 3 Semesters. For most undergraduate/postgraduate students the academic year is split into two Semesters (A & B). Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C).

- Semester A runs from Monday 17th September 2018 to Friday 11th January 2019
- Semester B runs from Monday 14th January 2019 to Friday 17th May 2019
- Semester C runs from Monday 20th May 2019 to Friday 13th September 2019

The above schedule includes two "Independent School Study Weeks": 5th – 9th November 2018, and 11th – 15th March and a University Study Week 14th – 18th January 2019.
