Important points

- This course is accredited by the Institute of Physics and upon graduation you will be eligible to join the Institute as a graduate member.
- An optional placement year or study abroad year or a combination of the two may be available after Year 2 for students who achieve a 2:1 grade average in Year 2 and are considered capable of coping with a year away from their studies.
- Transfer to our MPhys Integrated Masters degree is possible at any stage of your programme provided you have obtained a 2:1 degree average.
- Transfer to the BSc (Hons) Physics with Science Education route may be possible during your second year of study. Upon successful completion of the course you will be recommended for Qualified Teacher Status. You will undertake several sessions of school-based training, each over a period extending to July. An attendance rate of 100% is required for school-based training.
- An attendance rate of 75% at all scheduled learning and teaching sessions is a requirement of this programme.
- Students may be required to undertake a Disclosure and Barring Service check for some modules.

Academic Year

Academic Year 2018 - 2019

The University's academic year is made up of 3 Semesters. For most undergraduate/postgraduate students the academic year is split into two Semesters (A & B). Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C)

- Semester A runs from Monday 17 September 2018 to Friday 11 January 2019
- Semester B runs from Monday 14 January 2019 to Friday 17 May 2019
- Semester C runs from Monday 20 May 2019 – Friday 13 September 2019

Additional expenses

Description	Year	Mandatory/ Optional	Estimated cost
Placement year/ Study Abroad/ Combination of Study Abroad and Placement	3	Optional	The University does not charge tuition fees during your placement year or study abroad but you may incur additional costs i.e. travel and accommodation. The exact value of these costs will depend on where your placement is located.
Texts to support curriculum	All years	Optional	Undergraduate study requires extensive reading and access to reference works. Recommended texts are available in the Learning Resource Centre either as ebooks or printed material. Please note that availability of

			printed material may be limited so students may wish to purchase their own copies. The average price of a recommended text is approximately £50, although you may be able to buy second-hand copies.
Travel costs for off-site practicals	All years	Mandatory	Transport to scheduled practicals at our off-site observatory is provided free of charge by the School.
Travel costs when on teaching placement	2 and 3	Mandatory for "with Science Education" route	Funding support is available when the distance travelled exceeds a student's normal travel to the University campus
Resources when on teaching placement	2 and 3	"with Science Education" route only	Additional costs for planning and resourcing during your time in school may, at times, have to be borne by individual students
Occupational Health Clearance	On commencing the "with Science Education" route	Mandatory for "with Science Education" route	Confirmation from a GP may well incur a cost. This will vary depending on your GP
