A programme specification is a collection of key information about a programme of study (or course). It identifies the aims and learning outcomes of the programme, lists the modules that make up each stage (or year) of the programme, and the teaching, learning and assessment methods used by teaching staff. It also describes the structure of the programme, its progression requirements and any programme-specific regulations. This information is therefore useful to potential students to help them choose the right programme of study, to current students on the programme, and to staff teaching and administering the programme.

**Summary of amendments to the programme:**

<b>Section</b>	<b>Amendment</b>
2 – Table 3	Course Structure - Update course instances to reflect all study abroad options
Section D - Table 1a	Study Abroad / Sandwich - Amend study pattern for all modules to AB (09-06) and remove semester C / add explanatory sentence
Section D - Table 1a	Work Experience - Amend Study Pattern for professional work experience modules removing Semester C in all cases.

### Professional and Statutory Regulatory Bodies

No accreditation.

### Work-Based Learning, including Sandwich and Year Abroad Programmes

A designated Year Abroad programme leads to a University award in Study Abroad mode and the words "with a year abroad" appear on the award certificate. The Year Abroad will provide students with the opportunity to expand, develop and apply the knowledge and skills gained at the start of their course at the School of Creative Arts (UH), within a different organisational and cultural environment in a partner academic institution. The host institution will appoint a Programme Co-ordinator who will oversee the student's programme during the Year Abroad and will liaise with the appointed UH Supervisor. Students on the Fashion Programme may only undertake Study Abroad for an entire academic year and not for a single semester. Students on the Study Abroad mode will be registered on the relevant Year Abroad Module.

Students may undertake a period of study at an approved partner institution as an **additional** year between Levels 4 and 5 (students must have achieved 120 credits in order to progress to the year abroad); or between Levels 5 and 6 (students must have achieved 240 credits in order to progress to the year abroad).

Alternatively, (in exceptional cases where the curriculum provided at another HEI is aligned to that within this programme and where this has been formally agreed by the Programme Leader), students may undertake this study period **in place of** Level 5 (Year 2) at the School of Creative Arts (UH). In this case, successful students will receive credit for 120 credits at Level 5 and their final degree classification will be calculated in line with those for a direct Level 6 entrant (i.e. Level 5 achievement/grades will not be taken in to account).

A designated sandwich programme leads to a University award in the sandwich mode and the word "(Sandwich)" appears on the award certificate. In order for the programme to lead to an award in the sandwich mode, the student must undertake a period of approved work experience of not less than 36 weeks with no possibility of exemption, normally between the end of Year 2 and the beginning of Year 4. This will usually be completed within the United Kingdom but with approval may be completed within other countries. Progress of the student's training and development is monitored through visits from University academic staff or from reports from the student. Students will be required to document this period of work in accordance with the guidelines produced by the School. Students on the sandwich programme will be registered on the Sandwich Year Module (6CTA1008).

Students who have not achieved the minimum progression requirements at the end of Level 5 may be prevented from undertaking a sandwich placement. The policy relating to progression onto the placement year from level 5 is given in the School Guidelines on Placements. Students who are on the sandwich programme but have a 'Failed' grade at any Level 4 or 5 module will not normally be allowed to register to repeat this module until they return from placement.

#### Other Work Experience (Short and Medium Term)

In addition to offering a full Sandwich year (as explained above and referred to in the School as a 'Long Term Work Experience'), we encourage students to participate in shorter work experiences / placements.

With agreement from the Programme Leader, a student negotiated work experience is available within this Programme at Level 5.

This means that, with prior written agreement, a student may undertake:

- a work experience in place of *an assessed component within* one of the named modules below (referred to as a 'Short Term Work Experience'); *or,*
- a work experience *entirely in place of* one of the named modules below (referred to as a 'Medium Term Work Experience').

In the case of a Medium Term Work Experience, the student will be de-registered from the chosen module and registered upon *5CTA1143 Professional Work Experience 30: Design* instead.

5CTA1170 - Fashion Design Studio (2): Fashion Innovation (30 credits)

5CTA1174 - Fashion Business (3): The Practice of Fashion Business (30 credits)

Students normally undertake their work placement *during* Level 5, with the assessment submission made during the period of the module, or alternatively may negotiate with the programme leader to allow a placement undertaken at a different time (for example, during a vacation or non-teaching period) to be accredited within an approved module - with appropriate evidence submitted (including a reflective report).

Students (and staff when considering approval) should carefully consider any potential difficulties which may arise when attempting to undertake work experience simultaneously with their academic study (for example, Timetable constraints for other modules). In terms of exemption from academic study whilst undertaking a work placement, a time equivalent to 30 credits is normally the maximum permitted.

Additional advice on these modules is available in the School's Accredited Work Experience Handbook and the Professional Work Experience Definitive Module Document (DMD). Students will need approval of the programme leader or nominee for the work experience, to ensure that the scope and level of challenge / learning of the work submitted in reflection upon a work experience, is appropriate and as far as possible, matched in scope and level to any work being substituted.

The programme supports the student in opportunities to undertake live projects which may arise through their own endeavour and works to build such opportunities into the student's learning and assessment through negotiation of briefs and presentable outcomes. The term 'live projects' refers here to a range of activities that extends well beyond those that are primarily commercial and includes social enterprise projects undertaken in connection with community groups, arts organisations and other agencies. Where a student wishes to undertake a live project, it is a requirement that before it commences there is in place a learning contract that specifies clearly how it enables the student to fulfil the module Learning Outcomes; the materials to be submitted for assessment; the date of submission for that material; what the work means in terms of the student's attendance and workload and an appropriate strategy for supervision by a tutor. That contract has to be agreed by both the module tutor and the Programme Leader.

### Erasmus Exchange programme

Creative Arts undergraduate students are offered the opportunity to participate in the ERASMUS Exchange Programme. The School currently has reciprocal arrangements with a number of European Institutions (including Spain, Hungary, Poland, Bulgaria, Portugal, Ireland and Finland.) offering a range of subject disciplines. Students are advised to consult their programme leader for further information on the opportunities available.

### Incoming ERASMUS//CATS International Students

With prior agreement from the School's CATS Tutor and Programme Leader, incoming International students on the ERASMUS or CATS Schemes may participate in this Programme by undertaking modules and gaining the associated credit, typically at Level 5. Additionally, the following four modules are available to those students seeking credit for their work submitted within a single-semester timeframe, whilst studying alongside UH/Home students registered on two-semester modules:

5CTA1209 Design Studies A (15 credits)  
5CTA1210 Design Studies B (15 credits)  
5CTA1211 Design Studies C (15 credits)  
5CTA1212 Design Studies D (15 credits)

In such cases, an Approved Study Pattern for single-semester study will be determined at the commencement of the study period. The Study Pattern should clearly specify the format/quantity/weighting of assessments that are to be submitted at the conclusion of the study period – please see the relevant DMDs for more information.

NOTE: Visiting students wishing to study for a single semester in the School of Creative Arts may participate in the Level 5 activities within a single Programme only during the required semester.

### Programme Structure

The programme structure and progression information below (Table 1a and 1b) is provided for the Honours award. Any interim awards are identified in Table 1b. ## Programme-specific assessment regulations

The programme complies with the University's academic regulations (in particular, [UPR AS11](#), [UPR AS12/UPR AS13](#) (*delete as applicable*) and [UPR AS14](#)) with the exception of those listed below, which have been approved by the University:

- Module 6CTA1107 Critical and Cultural Studies: L6 Fashion Degree Essay **cannot** be substituted with equivalent credits from any level to improve the degree classification of the award BA (Hons) Fashion Design or BA (Hons) Fashion and Fashion Business

Course Code	Course Instance	Award Title	Modules (child instance codes and Title)	Must be included in Award degree algorithm
CCFASH	FAD3F / FAD4S / FAD4PS / FAD6P FASFB3F / FASFB4S / FASFB6P	All	6CTA1107 – Critical and Cultural Studies: L6 Fashion Degree Essay	Yes

Further points of clarification and interpretation relevant to this specific programme are given below:

- Students are expected to commit to all elements of their programme of study, be punctual in their attendance and meet deadlines. Persistent, unexplained absence or late arrival / departure from lectures, seminars and practicals is not acceptable. Students may be required to attend some specific timetabled sessions for their programme. Some modules have additional specific attendance requirements in place which will normally be highlighted within the relevant DMD (Definitive Module Document) or other assessment documentation (module guide or assignment brief). Lack of attendance may inhibit the student's ability to meet the learning outcomes of such modules leading to reduced or fail grades through poor performance.

- Students may be able to transfer between BA (Hons) Fashion Design and BA (Hons) Fashion and Fashion Business at the **end of Level 4 only**, having successfully completed and passed all Level 4 modules and demonstrating competency to follow the approved programme of study. This is at the discretion of the Programme Leader.

#### **Students transferring between UH and Franchise Partners:**

In instances where a student has transferred between the UH and a Franchised version of *this* programme (or vice versa), final degree classification will be determined using the standard UH methodology (i.e. L5 performance will count towards classification, in addition to L6) irrespective of the location of the final year of study.

The programme operates a University-wide policy for treatment of serious adverse circumstances and students receive details in the Student Handbook.

## F. Other sources of information

In addition to this Programme Specification, the University publishes guidance to registered students on the programme and its constituent modules:

- A Programme (or Student) Handbook;
- A Definitive Module Document (DMD) for each constituent module;
- A Module Guide for each constituent module.

The [Herts Handbook](#) is an introduction to the academic, social, cultural and sporting services and opportunities available at the University of Hertfordshire, and includes the Student Charter and Student Code of Conduct.

As a condition of registration, all students of the University of Hertfordshire are required to comply with the University's rules, regulations and procedures. These are published in a series of documents called 'University Policies and Regulations' (UPRs). The University requires that all students consult these documents which are available on-line, on the UPR web site, at: <http://www.herts.ac.uk/secreg/upr/>. In particular, [UPR SA07](#) 'Regulations and Advice for Students' Particular Attention - Index' provides information on the UPRs that contain the academic regulations of particular relevance for undergraduate and taught postgraduate students.

The UK Quality Assurance Agency for Higher Education (QAA) has confirmed the quality and standards of provision at the University of Hertfordshire. A key part of QAA's role is to review and report on how universities maintain their academic standards and quality, to inform students and the wider public. The team of QAA reviewers visited the University of Hertfordshire in 2015/16 and judged that its academic standards, the quality and enhancement of its students' learning experience and the quality of information about this learning experience all meet UK expectations. In other words, the University meets national requirements for standards and quality. The QAA's report can be accessed at: <http://www.qaa.ac.uk/reviews-and-reports/provider?UKPRN=10007147#.V-KHajXy0nE>

## G. Entry requirements

The normal entry requirements for the programme are:

- 96 UCAS points.
- GCSE Maths and English Language at grade 4 or above.
- A levels/BTECs to include an art related subject.
- IB - 96 points from a minimum of 2 HL subjects at H4 or above to include Visual Arts at SL or HL (with the remaining points to come from a combination of HL, SL and Core).

Selection is based on a portfolio interview, after which students may be required to complete a Foundation Year or Foundation Diploma before progressing to the degree course.

Applications will be considered on an individual basis and are particularly welcomed from students with non-standard qualifications, or from a variety of backgrounds. Access course students without GCSEs are not required to take these qualifications in addition to their Access award, but must ensure that any required subjects are fully met within their Access course.

Additionally, applications are welcomed from students who are completing Advanced level qualifications in relevant subject areas. On successful admission, such applicants will be supported through specific address to essential visualisation and research methods common to degree level Art and Design study.

Applicants will be evaluated against the following criteria:

- a) Academic attainment within general education at GCSE, A and VA Level GCE (12 unit award).
- b) Satisfactory academic reference.
- c) Personal statement or letter of application.
- d) Alternative or additional experience within art and design or appropriate subject areas.

- an open-minded and questioning attitude towards ideas and issues;
- a desire to engage in contextual debate in relation to Fashion;
- 2D work such as drawing, painting, technical drawing, design, media experimentation, photography;
- evidence of practical experience in art or design;

- an awareness of marketing and its relation to the discipline of study;
- an indication of ability in written and spoken English (IELTS 6).

Admission to the programme is normally by interview and the student fulfilling the general entry requirements of the university. In addition, all applicants are required to provide a portfolio of relevant work in support of their application.

Applicants must be able to demonstrate through either formal qualification or relevant prior experience their readiness for study at degree level.

In the case of students seeking to transfer to the programme from either foundation degree courses or from another non University of Hertfordshire degree courses, applications will be looked at on a case by case basis.

### **Non-standard Applicants / Direct Applicants into Years 2 or 3**

If you have prior higher education or equivalent work experience, it may be possible for this to be taken into account, to enable advanced entry to your chosen programme. For example, if you have a Foundation Degree/HND in an appropriate subject and are aiming to achieve an honours degree, you may be considered for exemption from Level 4 and/or Level 5 studies (the equivalent of the first and second year of a full-time degree). You may also be awarded credit for relevant prior learning such as previous courses studied (APCL) or your industrial, professional or other experience (APEL).

### **English Language**

All international students are required to demonstrate suitable levels of English language competence. This can be through previous study in English, but we often require specific performance in English tests. All undergraduates must be able to prove a minimum of IELTS 6.0, TOEFL 213 or equivalent.

The programme is subject to the University's Principles, Policies and Regulations for the Admission of Students to Undergraduate and Taught Postgraduate Programmes (in [UPR SA03](#)), along with associated procedures.
