**Important points**

Work with traditional and modern materials and techniques to create exciting jewelry pieces.

**Academic Year**

**Academic Year 2019 - 2020**

The University’s academic year is made up of 3 Semesters. For most undergraduate/postgraduate students the academic year is split into two Semesters (A & B). Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C).

- Semester A runs from Monday 23 September 2019 to Friday 17 January 2020
- Semester B runs from Monday 20 January 2020 to Friday 22 May 2020
- Semester C runs from Monday 25 May 2020 to Friday 18 September 2020

* This is an indicative cost – how much you use and need to replace these supplies will depend on your own style of working and process.

** The creativity and multidisciplinary nature of this course means that it is impossible to predict how much you will spend on supplies. In our experience, an average student would spend around £150 to £200 in the first year, and slightly more in the following years.
