You can find full details of your course in the *Programme Specification*.

Important points

- The MA Photography degree allows you to develop your Photography skills and knowledge to a more advanced level.
- The course is suitable for those interested in commercial and/or fine-art approaches to photographic practice.
- You will develop a personal portfolio which in approach, style and vision looks to the forefront of current practices.
- This postgraduate degree allows you to extend your theoretical and contextual understanding of photographic media and wider creative arts practices, their audiences and culture.
- Develop professional-level enquiry, research, creative invention, project planning and management practices.
- Additional expenses vary according to the nature of the Major Project the student chooses to undertake and the figures below are merely indicative.

Academic Year

**Academic Year 2019-20**

The University’s academic year is made up of 3 Semesters. For most undergraduate/postgraduate students the academic year is split into two Semesters (A & B). Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C)

- Semester A runs from Monday 23 September 2019 to Friday 17 January 2020
- Semester B runs from Monday 20 January 2020 to Friday 22 May 2020
- Semester C runs from Monday 25 May 2020 to Friday 18 September 2020

This programme will run over 3 Semesters.
