Important points

- The programme has been designed for pharmacists who wish to develop their clinical practice, leadership, personal and professional skills in the provision of safe and effective patient care.
- Students undertake the certificate in year 1 with progression to the diploma in year 2. In Years 1 and 2, students undertake work-based learning which is supported by a recognised work-based tutor and attend monthly study days at the University of Hertfordshire.
- Clinical practice and therapeutic focussed study days are supported by our internationally renowned simulation suite and delivered by experts in practice.
- The programme is linked to the Foundation Pharmacy Framework.
- There is an opportunity for the transfer of credits/qualifications between universities participating within the Joint Programme Board (JPB) collaboration (subject to approval).

Academic Year

Academic Year 2019 - 2020
