Important points

The programme is offered full-time over 1 year, and leads to the award of an MSc Finance and Investment Banking. It equips students with essential knowledge and skills sought by employers for a successful career in finance and investment banking roles, including equity valuation, fixed income valuation, portfolio management, understanding of economic fundamentals, quantitative research, financial statements analysis. Specific careers that may be appropriate include a range of investment banking roles (e.g. financial analyst, investment manager, securities' analyst and portfolio manager) as well as roles within financial departments of corporations/organisations (e.g. treasury, financial control, risk analysis etc.). The programme offers a sound platform and preparation for doctoral research in the areas of accounting, finance and economics. It echoes the Chartered Financial Analyst Institute® (CFAI®) examinations, level one and level two, providing students with a solid foundation to sit that body's examinations on completion.

Academic Year

Academic Year 2020 – 2021
