## About your course

### Courses covered

Code	Title
TCMSTAP	MSc Music and Sound Technology (Audio Programming)

You can find full details of your course in the *Programme Specification*.

### Important points

This award is aimed at forming professionals for the audio, production and post-production industry. It is conceived specifically for applicants interested in assisting the music making process as software developers, consultants and audio-media specialists providing customised software solutions and tools, whether for the studio or the live event.

Teaching sessions are scheduled over 2 days a week, normally Tuesday and Wednesday.

### Academic Year

#### *Academic Year 2020 - 2021*

The University's academic year for Postgraduate programmes is made up of 3 Semesters. Each of these is made up of teaching weeks, with assessment placed at regular intervals across the academic year.

- Semester A runs from Monday 21 September 2020 to Friday 15 January 2021
- Semester B runs from Monday 18 January 2021 to Friday 21 May 2021
- Semester C runs from Monday 24 May 2021 to Friday 17 September 2021
