Important points

Attendance Requirement

You are expected to attend all of your learning and teaching sessions, unless there is a good reason for you not to do so (for example because of a disability). Please note that if you miss three classes without alerting anyone as to why, your tutor will contact you to find out why. They will also alert your Year Tutor who will follow up on this.

To register your attendance, the electronic attendance monitoring system is used (this involves you scanning your ID card upon entering classrooms and lecture theatres).

Placement Year/Year Abroad

You can choose to take a Year Abroad or Placement Year before you start your final year, subject to meeting academic requirements and confirmation of a suitable institution or employer. Please see the Programme Specifications for more details.

The University will not charge you tuition fees during your Placement Year, but you may incur additional costs, including your travel and accommodation, depending on where your placement is located.

There may be a tuition fee charge for a Year Abroad. Further details are available in the attached '**Fees and Finance**' policy.

Terms and Conditions

Where a module, i.e. a self-contained taught unit, is under-subscribed, the University reserves the right not to run that particular module and to place students on their "reserve" choice.
