Important points

- On the MA Contemporary Textiles degree you will develop your individual creative practice in Contemporary Textiles supported by our excellent facilities, and in your own individual studio space within the Postgraduate Art department.
- This postgraduate degree allows you to develop knowledge and understanding of current critical debates in Contemporary Textiles in a fine art context alongside related creative practices.
- You will work with practitioners working in a range of areas of practice, in a stimulating and challenging environment.
- You will gain advanced technical and entrepreneurial skills for the successful creative practitioner.
- You will exhibit in the in-house PG Art gallery space and externally once a year.
- Additional expenses vary according to the nature of the Major Project the student chooses to undertake and the figures below are thus merely indicative.
