You can find full details of your course in the Programme Specification.

Important points

- On the MA Illustration degree, you will develop your individual creative practice in illustration supported by our excellent facilities.
- This postgraduate degree allows you to develop skills, knowledge and understanding of current critical debates on the use of visual imagery in driving or supporting narratives.
- Gain advanced technical and entrepreneurial skills for the successful creative Illustrator.
- You will work alongside practitioners working in a range of areas of practice, in a stimulating and challenging environment.
- Additional expenses vary according to the nature of the Major Project the student choses to undertake and the figures below are thus merely indicative.

Academic Year

Academic Year 2021 – 2022

The University’s academic year is made up of 3 Semesters. Normally most undergraduate programmes use Semesters A and B, additionally postgraduate programmes and specific undergraduate programmes use Semester C. Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C).

- Semester A runs from Monday 27 September 2021 to Friday 21 January 2022
- Semester B runs from Monday 24 January 2022 to Friday 13 May 2022
- Semester C runs from Monday 16 May 2022 to Friday 09 September 2022
