About your course

Courses covered

Code	Title
TCMSTAP	MSc Music and Sound Technology (Audio Programming)

You can find full details of your course in the *Programme Specification*.

Important points

This award is aimed at forming professionals for the audio, production and post-production industry. It is conceived specifically for applicants interested in assisting the music making process as software developers, consultants and audio-media specialists providing customised software solutions and tools, whether for the studio or the live event. Teaching sessions are scheduled over 2 days a week, normally Tuesday and Wednesday.

Academic Year

Academic Year 2021 - 2022

The University's academic year for Postgraduate programmes is made up of 3 Semesters. Each of these is made up of teaching weeks, with assessment placed at regular intervals across the academic year.

- Semester A runs from Monday 27 September 2021 to Friday 21 January 2022
- Semester B runs from Monday 24 January 2022 to Friday 13 May 2022
- Semester C runs from Monday 16 May 2022 to Friday 09 September 2022
