Code	Title
CMDADTS	Degree Apprenticeship: Digital & Technology Solutions Professional, which includes: <ul style="list-style-type: none">• BSc Honours Digital & Technology Solutions (Cyber Security Analyst)• BSc Honours Digital & Technology Solutions (Software Engineer)

You can find full details of your course in the *Programme Specification*.

Important points

- The course has been accredited by a TechSkills (formerly known as Tech Partnership) Panel of employers endorsing it as meeting the National Apprenticeship Standard published by the Skills Funding Agency.
- The programme is offered in full-rate (3 years) mode only.
- Intake is normally in Semester A (September) for both at level 4 and for direct entrants at levels 5 and level 6.
- In accordance with the Apprenticeship Standard, the final year project serves as a component of the end-point assessment for the Degree Apprenticeship. The project is work-based, chosen collaboratively with the employer, and assessed jointly by the university and the employer.

Academic Year

Academic Year 2023 – 2024

The University's academic year is made up of 3 Semesters (A, B and C). Semester A and B are made up of teaching weeks followed by exams, where applicable (the re-sit period falls within Semester C). Semester C is normally used for final dissertations and projects.

- *Semester A runs from Monday 25 September 2023 to Friday 19 January 2024*
- *Semester B runs from Monday 22 January 2024 to Friday 10 May 2024*
- *Semester C runs from Monday 13 May 2024 to Friday 6 September 2024*
