Important points

- The University of Hertfordshire has over 60 years' experience of teaching engineering, we have long-established links with the industry. Our links with businesses ensure that our courses are tailored to meet the needs of employers.
- Options are available to undertake additional study abroad or an Industrial Placement. Students who have not achieved the minimum progression requirements at the end of level 5 may be prevented from undertaking a sandwich placement. Similarly, students who have not completed 120 credits at level 4 and 120 credits at level 5 with an average of at least 60% may not be eligible for the study abroad option.
- We are currently applying for accreditation for the 2023 intake.
- Professional Statutory Regulatory Bodies thresholds will apply for accredited awards as per the Engineering Council Compensation and Condonement notice November 2018. To comply with professional body regulations students must achieve, after all available attempts under the University regulations, a minimum of 30% (in any allowable attempt) at levels 4, 5 and 6, before the board of examiners will be able to consider compensation for an accredited honours degree.
- A compensated pass cannot be awarded for the Individual Project which must be included in the calculation of degree classification.
