Important points

- You will study a common set of first-year modules along with the students on the following programmes:
 - BSc (Hons) Sports Coaching
 - BSc (Hons) Sports Business Management
- This Sports Studies degree programme features a broad study of sport and considers both local and global perspectives in more depth throughout Year 2 and 3. On the Sports Studies degree programme students also have a variety of core and optional modules in Year 2 and 3 to consider.
- You will then have the opportunity to choose optional modules and tailor your degree to your own interests, including an optional Year Abroad or Sandwich Placement Year. The BSc (Hons) Sports Studies is a favoured programme for those interested in a future career in sport, and education settings.
- Sport experiences are embedded into modules and students have the opportunity to engage with various opportunities that facilitate meaningful learning experiences within sport organisations. Some sport experiences may require an enhanced Disclosure and Barring Service clearance.
