### Important points

At Hertfordshire Business School we have over 150 full time academic staff and 120 visiting lecturers who bring their industry expertise into the classroom. There are an additional 40 staff in the professional team, supporting students and the work of the School.

Hertfordshire Business School offers 9 different subject areas which cover all areas of teaching, research and consultancy within the school.

With a student body of more than 4000 the school delivers close to 20,000 scheduled learning activities per annum, supporting more than one million hours of student learning per annum.

The vision of Hertfordshire Business School is empowering students through transformational education and research. Our mission is to transform students as learners and professionals, enabling them to play their part in the global economy by challenging and innovating business thinking.
