Council Clerk

## MEMORANDUM

**To:** County Council

**From:** Brian Sanders

**Date:** November 16, 2020

**Re:** Langley Pond Project Scope Synopsis

---

### Langley Pond Park Redevelopment Project Bullet Points:

- heavy landscaping in targeted areas including ornamental trees and decorative landscaping around entryway and pathways
- erosion and storm water control at park perimeter and throughout park proper
- substantial grading throughout to accommodate accessibility and event travel patterns
- addition of 2 large retaining walls to establish needed elevations
- major infrastructure improvements for utilities to accommodate large events and increased park visitation
- site prep and grading for installation of new inclusive playground and shelter (from grant project)
- new park signage at entryway along Langley Dam Road
- new relocated grilling area away from but adjacent to picnic shelter
- new sidewalk and pathways throughout park that connect amenities and allow mobility access and minimize stair access
- access established for a future fishing pier/dock
- improvements to the existing concession building including the replacement of the tile walkway around the facility
- expansion of beach area to include upper seating area with shade structures
- addition of new misting pole to cool spectators and park visitors
- new paved access road and parking lot for guests including the addition of a new paved boat trailer parking lot
- new irrigation system to designated areas of need
- new lighting for the parking areas and decorative lighting along pathway

The project is a complete redesign of Langley Pond Park with local citizen use in mind as well as large rowing events. Everything was designed with local use and event use in mind including traffic patterns in and out of the park for events and boat trailer parking limits. We feel we have created a true destination park for the region.
