Protection of Children (NI) Service (Northern Ireland Only)

The Pre-Employment Consultancy Service (PECS) has been operated by the DHSSPS since 1982 to assist agencies in screening out unsuitable people when recruiting to positions with substantial access to children and to adults with learning disabilities. New legislation, the Protection of Children and Vulnerable Adults (NI) Order 2003 (POCVA) has enhanced the arrangements for safeguarding vulnerable members of society.

From April 2005 the system for vetting those who work with children will no longer be known as PECS but the Protection of Children (NI) Service (POC (NI)).

The new Protection Of Children and Vulnerable Adults (NI) Order (POCVA) became law in February 2003 but only became operational (with the exception of Article 46) in April 2005. POCVA aims to improve existing safeguards for children and vulnerable adults by preventing unsuitable people working with them in any capacity whether paid or unpaid. POCVA complements each agency's own child protection measures and all agencies entrusted with the care of children need to have robust recruitment and staff selection procedures, which are enhanced after appointment by appropriate training, supervision and appraisal processes.

POC (NI) should only be used as part of an overall recruitment policy. It provides organisations registered with POC (NI) in Northern Ireland with one means of checking the suitability of an individual seeking work with children. It is designed to be an information service which provides an additional safeguard which complements and strengthens staff recruitment and selection procedures. The use of POC(NI) by organisations has a deterrent effect but should never be relied upon to screen out all abusers. It is not a foolproof guarantee of suitability. POC (NI) provides a means for accessing any information, which might have a bearing on an individual's suitability held by the:

- Police (criminal records);
- the DHSSPS Disqualification from Working with Children List;
- the Department of Education (List 99); **and**
- Protection of Children Act List (POCAL) POCVA creates an offence for an organisation/club to "knowingly" employ (paid or in a voluntary capacity) someone in a 'regulated position' who has been disqualified from working with children.

The definition of 'regulated position' is clarified in POCVA and is much wider than the previous definition of substantial access used by the DHSSPS to determine which posts can be checked. The definition of a regulated position also includes all supervisors/managers of those who work in regulated positions. This will mean carrying out pre-employment checks on staff / volunteers to ensure there is no known reason that they should not be working with children (in a regulated position).

The Department strongly encourages non-regulated organisations to carry out checks on all regulated positions that fall into the definition. Although legal responsibility of POCVA does not extend to all voluntary and community organisations the legislation suggests an implicit responsibility on anyone appointing staff or volunteers to regulated positions to undertake appropriate checks.

All responsible organisations will want to satisfy themselves that the potential employee/volunteer does not have a criminal record for violence, abuse or neglect of children before offering a regulated position. Organisations who do not carry out the appropriate checks may find themselves without any adequate defence against a charge of 'knowingly' employing someone who is disqualified from working with children.

(Please read this information carefully)

Statement of non-discrimination:

Name of Sports Organisation is committed to equal opportunity for all applicants including those with criminal convictions. Information about criminal convictions is requested to assist the selection process and will be taken into account only when the conviction is considered relevant to the post. Any disclosure will be seen in the context of the job criteria, the nature of the offence and the responsibility for the care of existing clients\customers and employees.

For the purposes of your application for the post of:

_____ it is our policy to ask for a check to be carried out by the statutory organisation responsible for this task in the jurisdiction in which you are working/volunteering

Advice to Applicants:

Please complete this form as accurately as possible and return it marked **“Confidential” in the envelope provided**. An arrangement will be made with you to discuss any clarification if required.

Thank you for your co-operation.

You **must** tell us now if you have a case pending or if you have ever been convicted of a criminal offence, or cautioned the police, or bound over. You **must** include all offences, even minor matters such as motoring offences, and ‘spent’ conviction, that is, things which happened a long time ago. If you leave anything out it may effect your application. The disclosure of a criminal record or other information will not debar you from registration / appointment unless (Name of Sports Governing Body) considers that the conviction renders you unsuitable. In making this decision (Name of Sports Governing Body) will consider the nature of the offence, how long ago it was committed and what age you were at the time and other factors which may be relevant.

Have you ever been convicted of a criminal offence or been the subject of a caution; a Bound Over Order; or are you at present the subject of criminal investigations?

Yes No

If so, please state below the nature and date(s) of the offence(s)

Please provide any other information you feel may be of relevance such as:

- the circumstances of the offence
- a comment on the sentence received

- whether or not you feel the conviction has relevance to this post.

I declare that all answers are complete and correct to the best of my knowledge and I will inform the designated person of any future convictions or charges. I consent to the check being made via the statutory authorities in which I intend to work/volunteer. I am also aware that Name of Sport as the umbrella organisation carrying out the check, may, following discussion with myself, share the information returned with my club chairperson.

Guidance notes:

Health Service Executives have a statutory responsibility under the Child Care Act, 1991, to promote the welfare and protection of children in their area. Health Service Executives at local level therefore have an obligation to receive information about any child who is not receiving adequate care and/or protection

The reporting form is for use by:

- Health Service Executive personnel
- Professionals and individuals in the provision of child care services in the community who have service contracts with the health services executives
- Designated persons in a voluntary or community agency
- Any professional, individual or group involved in services to children who become aware of a child protection or welfare concern, or to whom a child protection or welfare concern is reported.

Please fill in as much information and detail as is known to you, (health executive personnel should do this in consultation with their line manager). This will assist the Social Work Department in assessing the level of risk to the child, or support services required. If the information requested is not known to you, please indicate by putting a line through the question. It is likely that a social worker will contact you to discuss your report. Health Service Executives aim to work in partnership with parents. If you are making this report in confidence you should note that the Health Service Executive cannot guarantee absolute confidentiality as (a) a court could order that information be disclosed or (b) under the freedom of information act the commissioner may order that information be disclosed. You should also note that in making a 'bona fide report' you are protected under the Protection for Persons Reporting Child Abuse Act, 1998

This form should be sent to your local duty social worker in the local Health Service Executive.
