

The image displays a topographic map of a coastal region. The main map features contour lines indicating elevation, a river flowing through the center, and various colored overlays. Blue lines and areas likely represent water bodies or specific land use zones. Red dashed lines and solid red areas suggest infrastructure or boundaries. Orange areas are visible along the coast and in some inland sections. Green lines and areas are also present, possibly indicating parks or specific land use. A detailed inset map on the right provides a closer view of the coastal area, showing buildings, a road, and a body of water. The inset map includes a legend with the text "DETALLE A ESCALA 1:500" and "SERVICIOS DE ACCESO AL MAR PÚBLICO" and "SERVICIOS DE ACCESO AL MAR PÚBLICO".
