

Group Presentation

January 2025

Setha is a property investment and development company specialises in identifying brownfield sites in Uk and Italy. Its expertise is enhancing the site value through obtaining planning permissions mainly for residential and mixed-use developments. Setha applies selective criteria to all projects including meeting demanding target rates of return.

The Setha team has many years of experience in the property market and has established an excellent track record both of identifying such opportunities and successful completion.

Currently on 20 projects totaling over 1.000+ units for an approximate GDV (Gross Development Value) in excess of £ 1b.
