In addition, NAVIGARE PROPERTIES HOLDING declares that in no case will expenses, costs or damages arising from activities other than those provided for in Stipulation 4 be borne under the Financing Objective.

10. GRANTING OF LOAN IN FAVOR OF NAVIGARE PROPERTIES HOLDING. GENERAL CONDITIONS

10.1. Loan

The Committed Contribution intended for the granting of the Loan in favor of NAVIGARE PROPERTIES HOLDING will be governed by the terms and conditions established in this Agreement and in the Specific Conditions that are attached to this document as **Annex I**.

The Loan granted by the Investor is in the nature of a **financing product**, the return of which depends exclusively on the ability of NAVIGARE PROPERTIES HOLDING, in its capacity as Borrower, to meet its obligation to repay the interest accrued and principal of the Loan in a timely manner.

For information purposes only, it is expressly stated that the granting of the Loan by the Investor entails the assumption of a risk of (i) total or partial loss of the Committed Contribution; and (ii) failure to obtain the expected monetary return.

The Investor acknowledges that extraordinary circumstances not foreseen in the Project (but not limited to: falling prices in the real estate market, decrease in demand, increase in construction costs, delay in the administrative deadlines for obtaining permits or licenses, etc.) may lead to the monetary return to be obtained in the future being delayed or lower than its Committed Contribution, assuming in its capacity as lender the risk and risk of the execution of the Project.

The granting of the Loan will be formalized with NAVIGARE PROPERTIES HOLDING by the Investor, represented by the Platform in accordance with the irrevocable mandate granted in Stipulation 2 above, in a private document.

10.2. Destination and purpose of the Loan

NAVIGARE PROPERTIES HOLDING undertakes to allocate the funds received from the Loan solely and exclusively as indicated in this Agreement and, in particular, in accordance with the provisions of Stipulation 4 above.

The Loan shall be deemed to have been granted at the time of making the Loans available to NAVIGARE PROPERTIES HOLDING once the Condition Precedent has been fulfilled, and NAVIGARE PROPERTIES HOLDING shall therefore be obliged to reimburse the amounts due as principal, to pay any interest, commissions, taxes and expenses accrued, as well as the fulfillment of the other commitments under its responsibility in accordance with the terms and conditions established in this Agreement.

NAVIGARE PROPERTIES HOLDING undertakes to adopt, within its corresponding corporate bodies, and as soon as possible after the granting of the Loans in its favour, as many decisions and agreements as may be relevant to comply with the Financing Objective.

10.3. Accrual of interest. Interest Period.

NAVIGARE PROPERTIES HOLDING undertakes to pay interest on the Loan in favour of the Investor at the interest rate provided for in the Specific Conditions.

The principal of the Loan pending repayment at any given time will accrue interest on a daily basis in favour of the Investor at the corresponding interest rate set out in the Specific Conditions.

Interest will be understood to accrue on the basis of a year of three hundred and sixty (360) days and will be calculated by the days effectively elapsed in the Interest Period – as it is defined later – (at the end of which the initial day of the Interest Period will be understood, in any case, as effectively elapsed and the final day as not effectively elapsed).

The duration of the Interest Period will coincide with the duration of the Loan, as specified in the Specific Conditions, and therefore there will be a single interest or settlement period, which will therefore begin on the date on which the Loan must be understood to have been granted in accordance with the provisions of Stipulation 10.2 above.

The interest corresponding to the single Interest Period will be due on the maturity date of the same, coinciding with the maturity of the Loan and will be paid within a maximum period of ten days from its maturity. The Platform will carry out the distribution of the amounts paid by NAVIGARE PROPERTIES HOLDING for the Loan, paying the Investor the part that corresponds proportionally to it, net of tax withholdings if legally applicable.

10.4. Most Investors

The decisions that correspond to the Investors under the Loan will be adopted, unless otherwise expressly provided therein, by the Majority of the Investors, and any decision so adopted will be binding on each and every one of them.

"Majority of Investors" shall be understood to mean all the URBANITAE Investors whose participation in the Loan Amount pending repayment or repayment represents at any time more than fifty percent (50%) of the same.

For the above purposes, the Platform will inform the Investors of the decisions to be submitted for their consideration, which will be understood to be accepted by each Investor if they do not express their opposition in writing within 15 calendar days. Any decision made on the basis of the Loan to the Investors shall be deemed to require the agreement of the Majority of the Investors, unless otherwise indicated.

For information, the declaration of early maturity of the Loan, or the execution of the guarantee(s) or the novation of the Loan shall be subject to the decision of the Majority of the Investors.

10.5. Mandatory ordinary depreciation

NAVIGARE PROPERTIES HOLDING shall fully repay the Loan and repay all amounts due to the Investor under this Agreement upon the maturity of the Loan indicated in the Specific Conditions.

10.6. Voluntary early repayment

NAVIGARE PROPERTIES HOLDING may repay the full amount of the Loan in advance, regardless of whether or not it coincides with the end of the Interest Period and with prior notice to the Platform of at least twenty (20) calendar days. Early repayment will include, together with the main object of repayment, all the interest that has accrued up to the date of early repayment, which, if repaid before month 9, must in any case include the amount of interest accrued in that period of time. NAVIGARE PROPERTIES HOLDING will not pay any commission for early redemption.

10.7. Common Rules

The obligation of NAVIGARE PROPERTIES HOLDING to make payments to the Investor will be considered satisfied when NAVIGARE PROPERTIES HOLDING has sufficient funds to cover its payment obligation in the virtual account that NAVIGARE PROPERTIES HOLDING has on the Platform, and effectively does so.

NAVIGARE PROPERTIES HOLDING is obliged to make and settle the withholdings on capital income that the current tax legislation requires it to make at any time.

The payments derived from the Loan, both for principal, interest and expenses, will be made (i) either on the same day that the Loan matures or in accordance with the provisions of this Agreement for the early repayment of the same, or (ii) at the time they are due from the Investor in accordance with the provisions of this Agreement, by debiting these amounts into the corresponding account in the name of the Platform, without the need for prior payment order. NAVIGARE PROPERTIES HOLDING undertakes to have sufficient funds in said account to meet the aforementioned payments.

The amounts received by the Investor as payment will be charged firstly to the reimbursement of expenses and taxes, secondly, to default interest, thirdly, to ordinary interest and, as far as it is exceeded, to the outstanding principal.

10.8. Late payment interest

Any delays that may occur, both in the payment of the principal and in the payment of the interest and expenses borne by NAVIGARE PROPERTIES HOLDING, will accrue daily in favor of the Investors, the default interest indicated in the Particular Conditions, without the need for notice, from the day following the maturity or enforceability of the unpaid amount and until its full payment.

Late payment interest will be paid in one lump sum, together with the payment of the interest due or the principal of the Loan, as the case may be, or, failing that, on the date of maturity of the Loan or the declaration of the early maturity of the Loan.

10.9. Joint and independent nature of each Investor's Loan

The contractual position assumed by each Investor vis-à-vis NAVIGARE PROPERTIES HOLDING in relation to their respective Loan is of a joint nature, and therefore the rights and obligations of the Investor are independent with respect to the rest of the Investors, unless otherwise expressly established in this Agreement and subject to the majority regime established in the Loan Agreement. binding the decision that may be adopted to all the Investors.

10.10. Obligations of NAVIGARE PROPERTIES HOLDING

In relation to the Loan, NAVIGARE PROPERTIES HOLDING undertakes to:

- Repay the principal of the Loan and make effective the other concepts at their expense for any reason (ordinary interest, late payment interest, Platform fees and expenses of any kind) on the dates and conditions agreed in the Particular Conditions.
- NAVIGARE PROPERTIES HOLDING undertakes to provide the Platform with the information or documentation requested by the Platform on its financial situation, within a maximum period of fifteen (15) days from the request and, specifically, to provide documentary evidence that they are up to date with the payment of their respective tax obligations, with the Social Security and with their workers.

any authorisation that is necessary for the due fulfilment of the obligations arising from this Contract.

- NAVIGARE PROPERTIES HOLDING acknowledges and authorises the persons designated by the Platform to carry out all physical or documentary checks to verify the details described above, and to provide the requested supporting documents.

Unless expressly authorised by the Investors, NAVIGARE PROPERTIES HOLDING undertakes (i) not to incur in additional debt to that derived from the Committed Investment that is not intended for the execution of the Promotion; (ii) not to grant loans or guarantees in favor of third parties; (iii) not establish any type of guarantee, pledge, mortgage or any other type of real charge or encumbrance of the same nature on its assets in favor of third party creditors other than the Investors; (iv) not participate directly or indirectly in projects other than the Project; and (v) not to make distributions to its partners.

However, and as an exception to the above, NAVIGARE PROPERTIES HOLDING may exercise the powers identified in numeral (iii) of the previous paragraph, without express authorization from the Investors in the event that such actions are executed in favor of the potential purchasers of the real estate units that are part of the Development and in order to proceed with their effective transfer.
