Nor does it assume any liability arising from the Platform's failure to comply with any of its obligations in relation to the Loan and to the Investors.

Acceptance of your appointment as Collateral Agent does not imply, either expressly or impliedly, that you warrant or represent to the Principals or any third party that the Loan has been validly subscribed or that the Loan and the Financing Agreement are in accordance with applicable law; the Guarantee Agent is exonerated from any type of liability related to the Loan and the Guarantees.

The Warranty Agent assumes no responsibility for the authenticity, accuracy or correctness of the information that, by virtue of the provisions of this Agreement, is sent to it by the Platform. Any instruction or decision to be taken by the Investors in relation to the Collateral Agent shall be made in accordance with the majorities and other circumstances regulated in the Loan Agreement.

In the event that the Collateral Agent must request the authorisation of the Investors (which may only be granted by the corresponding majority), it will inform the Platform, which in turn will transmit the application to all the Investors in the Project, for the assessment of the application submitted.

Voting will only be open to those natural or legal persons who, at the time of the decision, hold a percentage of the Loan (i.e. who are considered to be "Investor"), and excluding any third party assignee who has acquired a share in one or more of the Loans through channels other than the Platform and this has not been previously notified to Urbanitae at least five (5) business days before the Date of opening of voting.

The voting period will last five (5) Business Days (although it may be extended at the discretion of Urbanitae up to a maximum of fifteen (15) Business Days, on its own initiative or at the request of the Guarantee Agent), after which Urbanitae will communicate, through the Platform, the results of the vote to the Guarantee Agent and the Investors.

Once the Platform notifies the Collateral Agent of the adoption of an agreement by the Investors, the Collateral Agent must refrain from carrying out acts that may contravene such agreement, and must carry out any acts necessary, where appropriate, to allow or promote its implementation.

The agreement adopted by the Investors and communicated by the Platform to the Collateral Agent shall be considered binding in all its effects on the Collateral Agent, as well as on all Investors.

7. Application of proceeds from enforcement of Guarantees

Upon termination of the Contract, once the Guarantees have been cancelled, the Guarantee Agent will return to PLAYA DE COVELO, S.L. through the Platform the remainder of said provision of funds once the aforementioned expenses have been paid.

Both the remuneration and the provision of funds referred to in the previous paragraphs will be paid to the Guarantee Agent prior to the constitution of the Guarantees and will be applied, respectively, to the payment of the fees to be received by the Guarantee Agent throughout the life of the Loan and to meet the costs that may be incurred as a result of the constitution of the Guarantees until their cancellation. modification or execution, if applicable. In the event that, once the provision of funds has been applied, there are still amounts to be paid, these will be paid by PLAYA DE COVELO, S.L. to the Guarantee Agent at the request of the Platform.

The Contract shall enter into force on the date of its execution by the Parties.

The duration of the Agreement will be extended, either (i) until the full repayment of the Loan by PLAYA DE COVELO, S.L., in punctual compliance with the obligations assumed by it under the Loan Agreement, and the consequent cancellation of the Guarantees; or (ii) in the event of non-compliance with the Secured Obligations, until the completion of the Guarantee enforcement procedure in the event that the Collateral Agent is instructed to proceed with their enforcement.

For the appropriate purposes, it is hereby stated that the termination of the enforcement procedure of one of the two Guarantees will not imply the termination of this Agreement, which will remain in force, as long as one of the Guarantees, or the enforcement procedure thereof, remains in force.

11. Cases of resolution

This Agreement shall be terminated early, in addition to the cases specifically regulated in other Clauses thereof, in the following cases:

In such a case, the non-compliant Party shall have a period of ten (10) calendar days to remedy such situation.
