10. GRANTING OF LOAN IN FAVOR OF AGP REAL ESTATE 4, S.L. GENERAL CONDITIONS

10.1. Loan

The Committed Contribution intended for the granting of the Loan in favour of **AGP REAL ESTATE 4, S.L.** shall be governed by the terms and conditions established in this Agreement and in the Particular Conditions that are annexed to this document as **Annex I**.

The Loan granted by the Investor is in the nature of a **financing product**, the return of which depends exclusively on the capacity of **AGP REAL ESTATE 4, S.L.**, in its capacity as borrower, to meet its obligation to repay accrued interest and principal of the Loan in a timely manner.

For information purposes only, it is expressly stated that the granting of the Loan by the Investor entails the assumption of a risk of (i) total or partial loss of the Committed Contribution; and (ii) failure to obtain the expected monetary return.

The Investor acknowledges that extraordinary circumstances not foreseen in the Project (but not limited to: falling prices in the real estate market, decrease in demand, increase in construction costs, delay in the administrative deadlines for obtaining permits or licenses, etc.) may lead to the monetary return to be obtained in the future being delayed or lower than its Committed Contribution, assuming in its capacity as lender the risk and risk of the execution of the Project.

The granting of the Loan will be formalized with **AGP REAL ESTATE 4, S.L.** by the Investor, represented by the Platform in accordance with the irrevocable mandate granted in Stipulation 2 above, in a private document.

10.2. Destination and purpose of the Loan

AGP REAL ESTATE 4, S.L. undertakes to allocate the funds received from the Single Loan and

exclusively as indicated in this Agreement and, in particular, in accordance with the provisions of Stipulation 4 above.

The Loan shall be deemed to have been granted at the time of making the Loans available to **AGP REAL ESTATE 4, S.L.** once the Suspensive Condition has been fulfilled, and therefore **AGP REAL ESTATE 4, S.L.** obliged to reimburse the amounts due as principal, to pay any interest, commissions, taxes and expenses accrued, as well as to comply with the other commitments for which it is responsible in accordance with the terms and conditions established in this Agreement.

AGP REAL ESTATE 4, S.L. undertakes to adopt, within its corresponding corporate bodies, and as soon as possible after the granting of the Loans in its favour, as many decisions and agreements as may be pertinent to comply with the Financing Objective.

10.3. Accrual of interest. Interest Period.

AGP REAL ESTATE 4, S.L. undertakes to pay interest on the Loan in favour of the Investor at the interest rate provided for in the Specific Conditions.

The principal of the Loan pending repayment at any given time will accrue interest on a daily basis in favour of the Investor at the corresponding interest rate set out in the Specific Conditions.

Interest will be understood to accrue on the basis of a year of three hundred and sixty (360) days and will be calculated by the days effectively elapsed in the Interest Period – as it is defined later – (at the end of which the initial day of the Interest Period will be understood, in any case, as effectively elapsed and the final day as not effectively elapsed).

The duration of the Interest Period will coincide with the duration of the Loan, as specified in the Specific Conditions, and therefore there will be a single interest or settlement period, which will therefore begin on the date on which the Loan must be understood to have been granted in accordance with the provisions of Stipulation 10.2 above.

The interest corresponding to the single Interest Period will be due on the maturity date of the same, coinciding with the maturity of the Loan and will be paid within a maximum period of ten days from its maturity. The Platform will carry out the distribution of the amounts paid by **AGP REAL ESTATE 4, S.L.** by reason of the Loan, paying the Investor the part that corresponds proportionally to him, net of tax withholdings if legally applicable.

10.4. Most Investors

The decisions that correspond to the Investors under the Loan will be adopted, unless otherwise expressly provided therein, by the Majority of the Investors, and any decision so adopted will be binding on each and every one of them.

"Majority of Investors" shall be understood to mean all the URBANITAE Investors whose participation in the Loan Amount pending repayment or repayment represents at any time more than fifty percent (50%) of the same.

For the above purposes, the Platform will inform the Investors of the decisions to be submitted for their consideration, which will be understood to be accepted by each Investor if they do not express their opposition in writing within 15 calendar days. Any decision made on the basis of the Loan

to Investors, shall be deemed to require the agreement of a Majority of Investors, unless otherwise indicated.

For information, the declaration of early maturity of the Loan, or the execution of the guarantee(s) or the novation of the Loan shall be subject to the decision of the Majority of the Investors.

10.5. Mandatory ordinary depreciation

AGP REAL ESTATE 4, S.L. must fully repay the Loan and repay all amounts due to the Investor under this Agreement upon the maturity of the Loan indicated in the Specific Conditions.

10.6. Voluntary early repayment

AGP REAL ESTATE 4, S.L. may repay the total amount of the Loan in advance, regardless of whether or not it coincides with the end of the Interest Period and prior notice to the Platform of at least twenty (20) calendar days. Early repayment will include, together with the principal object of repayment, all the interest that has accrued up to the date of early repayment which, if repaid before month 21, must in any case include the amount of interest accrued in that period of time. **AGP REAL ESTATE 4, S.L.** You will not pay any commission for early repayment.

10.7. Common Rules

The amounts received by the Investor as payment will be charged firstly to the reimbursement of expenses and taxes, secondly, to default interest, thirdly, to ordinary interest and, as far as it is exceeded, to the outstanding principal.

10.8. Late payment interest

Any delays that may occur, both in the payment of the principal and in the payment of the interest and expenses borne by **AGP REAL ESTATE 4, S.L.**, will accrue daily in favor of the Investors, the default interest indicated in the Particular Conditions, without the need for notice, from the day following the maturity or enforceability of the unpaid amount and until its full payment.

Late payment interest will be paid in one lump sum, together with the payment of the interest due or the principal of the Loan, as the case may be, or, failing that, on the date of maturity of the Loan or declaration of the early maturity of the Loan.

10.9. Joint and independent nature of each Investor's Loan

The contractual position assumed by each Investor vis-à-vis **AGP REAL ESTATE 4, S.L.** in relation to their respective Loan is of a joint nature, and therefore the rights and obligations of the Investor are independent of the rest of the Investors, unless otherwise expressly established in this Agreement and being subject, where appropriate, to the majority regime established in the Loan Agreement, binding the decision that may be adopted to all the Investors.

- IX.** That, on the basis of the foregoing, the Parties agree that the Guarantee Agent shall act as an indirect agent of the Principals for the purposes of the Guarantee Agent constituting, managing, administering and, where appropriate, executing the Guarantees in its own name, but acting in any case on behalf of the Principals, for which they agree to sign this Indirect Mandate Agreement in accordance with the following

CLAUSES

1. Definitions

Any terms contained in the Mandate Agreement with an initial capital letter that are not expressly defined herein shall have the meanings given to them in the Financing Agreement.

2. Purpose of the Mandate Agreement

The purpose of the Mandate Contract is:

- (i) the granting by the Investors of an improper or indirect mandate in favour of the Guarantee Agent, under the provisions of Article 1,717 of the Civil Code, which empowers the Agent to, acting in his own name, but on behalf of the Principals, carry out all the necessary actions for the purposes of the valid and effective constitution, conservation, proper management, administration and, where appropriate, execution of the Guarantees, in their capacity as joint and several personal guarantees, respectively;
- (ii) the designation and appointment of the Guarantee Agent for the above purposes;
- (iii) the establishment of the rules that will govern the relationship of the Agents with the Principal and the procedure for the making of decisions and execution of instructions by the Representative; and
- (iv) the establishment of the rights and obligations of the Parties in relation to the Contract.

The Mandate Contract is entered into without representation. Consequently, the Agent acts in his own name and assumes the obligations arising from the legal acts entered into on behalf of and in the interest of the Principals.

3. Appointment of the Guarantee Agent: acceptance of the assignment

The Principals appoint the Agent as Guarantee Agent for all actions that may be necessary to carry out in relation to the Guarantees during the term of this Agreement and the Loan Agreement.

The Guarantee Agent expressly accepts this designation by virtue of signing this document, and undertakes to use its best efforts to perform the functions assigned to it in the Agreement in a prudent and diligent manner, always attending to the protection of the interests of the Investors in their capacity as Principals.

4. Obligations of the Guarantee Agent

In relation to the Mandate Agreement, the Guarantee Agent undertakes to:

- (i) To receive from the Platform the precise communications and instructions on any decision, action or authorisation that may have been adopted by the Investors in relation to the Guarantees and to proceed with the execution of any instructions received as a result of such decisions, actions or authorisations, as soon as possible.
- (ii) Execute instructions received as a result of such decisions, actions or authorizations in relation to the Warranties.
- (iii) To accept and subscribe in its own name and for the benefit of the Investors the Guarantees granted by AGP REAL ESTATE 4, S.L. under the terms that the Investors consider appropriate.
- (iv) To carry out all the necessary actions for the proper constitution of the Guarantees, as well as to grant, without delay, as many public and private documents for the correction, complement or clarification of the Guarantees as may be necessary or convenient for this purpose.
- (v) To carry out all the necessary actions for the proper conservation of the Guarantees in the registry when requested by Urbanitae, at the indication of the Principals.
- (vi) Inform the Platform of the steps taken and the status of the validity of the Guarantees and any other incidents that may occur in relation to the Guarantees throughout the life of the Loan.
- (vii) To exercise the actions for the execution of the Guarantees within the precise period and terms indicated in the instructions issued by the Platform and in accordance with the provisions of the deed or policy of constitution of the aforementioned Guarantees. For these purposes, the Guarantee Agent may hire the law firm, the agency and/or the solicitors indicated by the Platform and any others that it deems appropriate for the correct execution of the Guarantees, subject to the acceptance of the Investors through the Platform.
- (viii) To receive, from the Platform, and in the event of non-compliance by AGP REAL ESTATE 4, S.L., the certification of the debit balance or amount due for the purposes of the proper initiation of the procedure for the execution of the Guarantees; as well as collaborate with the Platform and the selected law firm in the granting of the notarial act of settlement of the debit balance, certification

of ownership and encumbrances and/or any other document or act necessary or convenient for the execution of the Guarantees.

- (ix) To inform the Platform on an ongoing basis, so that it in turn keeps the Investors informed, of the status of execution of the Guarantees and of the amount of the net amount that may result from the execution of the Guarantees so that the proceeds of the execution can be distributed among the Investors.
- (x) Follow the instructions of the Platform regarding the assignment of the proceeds of the execution of the guarantees in favor of the Investors or third parties, as the case may be.
- (xi) Carry out all the actions that are necessary for the due cancellation of the Guarantees once the Guarantee Agent has been duly notified by the Platform of full compliance with the Guaranteed Obligations and receives the appropriate instructions in this regard, if applicable.
- (xii) Perform all legal acts, sign any document, of any kind, whether public or private, that are necessary or convenient for the correct and punctual fulfillment of the functions entrusted to it by virtue of this Contract.
- (xiii) Receive from the Platform the list of Investors, without the Guarantee Agent having to accept or authorize any type of change in the Investors.

The Collateral Agent assumes no responsibility for the authenticity, accuracy or correctness of the information that, by virtue of the provisions of this Agreement, is sent to it by the Platform or the Investors. Nor does it assume any liability arising from the Platform's failure to comply with any of its obligations in relation to the Loan and to the Investors.

Acceptance of your appointment as Collateral Agent does not imply, either expressly or impliedly, that you warrant or represent to the Principals or any third party that the Loan has been validly subscribed or that the Loan and the Financing Agreement are in accordance with applicable law; the Guarantee Agent is exonerated from any type of liability related to the Loan and the Guarantees.

The Warranty Agent assumes no responsibility for the authenticity, accuracy or correctness of the information that, by virtue of the provisions of this Agreement, is sent to it by the Platform. Nor does it assume any liability arising from the Platform's failure to comply with any of its obligations in relation to the Loan and the Investors, or for the integrity, validity and effectiveness of the Guarantees granted by AGP REAL ESTATE 4, S.L. in relation to the Loan.

The Collateral Agent shall not be obliged to take any action in relation to the Loan (except for those related to the execution of the Collateral described in this Agreement, such as the declaration of maturity of the Loan following the instructions of the Investors), but only in relation to the Collateral following the instructions of the Platform for such purposes, in accordance with the decision of the Principals.

The Collateral Agent may refrain from taking any action if the taking of such action, in its opinion based on reasoned legal interpretation, is contrary to any law or would not have the authority to do so under any applicable law or regulation or if any court or other competent authority determines that it does not have the authority to do so. The Guarantee Agent will not be responsible, where appropriate, for the calculation, settlement or payment of the expenses and taxes corresponding to the constitution of the Guarantees, being the Principals who will be responsible in any case for any administrative requirement, payment of quota, interest and penalties that, where appropriate, impose the corresponding authorities for an incorrect calculation or defect of payment or payment after the deadline of the aforementioned tax.

In addition, the Investors shall not claim in any case from the Guarantee Agent any expenses, costs or taxes that have been accrued or will accrue in the future as a result of the creation, maintenance, execution or cancellation of the Guarantees, or in any other way in the exercise of the functions and responsibilities contained in this Agreement.

5. Obligations of Principals

The Principals, in relation to the Mandate Agreement and through the Platform, undertake to:

- (i) Provide the Guarantee Agent, through the Platform, with the information they need in a timely manner,

whenever such information is essential for the proper performance of their functions.

- (ii) To ensure that AGP REAL ESTATE 4, S.L. promptly pays the Guarantee Agent its fees, costs and expenses for the exercise of its functions as stipulated in this Agreement.
- (iii) To keep the Guarantee Agent duly informed, through the Platform and in accordance with the instructions received through it, of any circumstances that may have an impact on the Guarantees.
- (iv) To ensure that AGP REAL ESTATE 4, S.L. duly complies with the obligations assumed in the Loan Agreement in relation to the proper conservation of the asset subject to the Guarantees.
- (v) To provide the Guarantee Agent, through the Platform, with all the necessary documentation and to guarantee compliance with all the requirements necessary for the effective constitution, administration, cancellation and execution, where appropriate, of the Guarantees.
- (vi) Hold the Guarantee Agent harmless for any expense, cost or tax that may be accrued in the exercise of the functions of representation of the Principals set out in this Agreement, as well as for any possible claim that may arise against the Guarantee Agent regarding the integrity, validity and effectiveness of the Guarantees.

6. Adoption of Agreements by Constituents

Any instruction or decision to be taken by the Investors in relation to the Collateral Agent shall be made in accordance with the majorities and other circumstances regulated in the Loan Agreement.

In the event that the Collateral Agent must request the authorisation of the Investors (which may only be granted by the corresponding majority), it will inform the Platform, which in turn will transmit the application to all the Investors in the Project, for the assessment of the application submitted.

Voting will only be open to those natural or legal persons who, at the time of the decision, hold a percentage of the Loan (i.e. who are considered to be "Investor"), and excluding any third party assignee who has acquired a share in one or more of the Loans through channels other than the Platform and this has not been previously notified to Urbanitae at least five (5) business days before the Date of opening of voting.

The voting period will last five (5) Business Days (although it may be extended at the discretion of Urbanitae up to a maximum of fifteen (15) Business Days, on its own initiative or at the request of the Guarantee Agent), after which Urbanitae will communicate, through the Platform, the results of the vote to the Guarantee Agent and the Investors.

Once the Platform notifies the Collateral Agent of the adoption of an agreement by the Investors, the Collateral Agent must refrain from carrying out acts that may contravene such agreement, and must carry out any acts necessary, where appropriate, to allow or promote its implementation.

The agreement adopted by the Investors and communicated by the Platform to the Collateral Agent shall be considered binding in all its effects on the Collateral Agent, as well as on all Investors.

7. Application of proceeds from enforcement of Guarantees

All amounts received by the Guarantee Agent as a result of the execution of the Guarantees and once the tax obligations that will result in their application have been covered, will be applied in accordance with the priority of payments established below:

- (a) payment of the Guarantee Agent's fees;
- (b) payment of the fees of notaries, lawyers, solicitors, managers and other expenses that may have been accrued on the occasion of the execution of the Guarantees, if applicable;
- (c) default interest on the Loan;
- (d) ordinary interest on the Loan; and
- (e) principal pending payment by AGP REAL ESTATE 4, S.L.

Once all the aforementioned taxes and payments have been covered, any resulting excess will be returned to AGP

8. No waiver by the Warranty Agent

The Collateral Agent may not relinquish his or her position as Collateral agent granted to him or her under this Agreement, nor may he or she waive his or her status as a creditor in the Collateral until the complete cancellation or completion of the Collateral enforcement proceeding.

9. Warranty Agent Fees. Expenses

For the performance of their duties, the Collateral Agent will receive the fees indicated in the Framework Agreement for the provision of services signed between the Platform and the Collateral Agent.

The Guarantee Agent will not be responsible for any type of expense or tax that may be caused in the performance of his/her duties, including, but not limited to: notary and agency fees, lawyers and solicitors, property registries, stamp duty, etc. courier and burofax, travel expenses for attendance at signings, registrations, hotels outside the province of residence of the Guarantee Agent, etc., all of which must be reimbursed.

For these purposes, AGP REAL ESTATE 4, S.L. will constitute in favour of the Guarantee Agent a provision of funds that will be calculated in each case according to the characteristics and amount of the Guarantees, and which will be used to meet the expenses and taxes mentioned in the previous paragraph. Upon termination of the Contract, once the Guarantees have been cancelled, the Guarantee Agent will return to AGP REAL ESTATE 4, S.L. through the Platform the remainder of said provision of funds once the aforementioned expenses have been paid.

Both the remuneration and the provision of funds referred to in the previous paragraphs will be paid to the Guarantee Agent prior to the constitution of the Guarantees and will be applied, respectively, to the payment of the fees to be received by the Guarantee Agent throughout the life of the Loan and to meet the costs that may be incurred as a result of the constitution of the Guarantees until their cancellation. modification or execution, if applicable. In the event that, once the provision of funds has been applied, there are amounts to be paid, these will be paid by AGP REAL ESTATE 4, S.L to the Guarantee Agent at the request of the Platform.

10. Duration of the Mandate Contract

The Contract shall enter into force on the date of its execution by the Parties.

The duration of the Agreement will be extended, either (i) until the full repayment of the Loan by AGP REAL ESTATE 4, S.L., in punctual compliance with the obligations assumed by it under the Loan Agreement, and the consequent cancellation of the Guarantees; or (ii) in the event of non-compliance with the Secured Obligations, until the completion of the Guarantee enforcement procedure in the event that the Collateral Agent is instructed to proceed with their enforcement.

For the appropriate purposes, it is hereby stated that the termination of the enforcement procedure of one of the two Guarantees will not imply the termination of this Agreement, which will remain in force, as long as one of the Guarantees, or the enforcement procedure thereof, remains in force.

11. Cases of resolution

This Agreement shall be terminated early, in addition to the cases specifically regulated in other Clauses thereof, in the following cases:

- (i) At any time, by mutual written agreement between the Parties;
- (ii) By the denunciation made in writing by either Party based on a serious breach of any of the obligations assumed by the other Party under this Agreement, without prejudice to the right of the injured Party to opt for the continuation of the Contract and to demand from the other Party the full performance of its obligations, with reparation, in either case, for the damage caused by such non-compliance when it is due to fault or gross negligence. In such a case, the non-compliant Party shall have a period of ten (10) calendar days to remedy such situation. If, after this period, in the opinion of the affected Party, the non-compliant Party has not put an end to its conduct or remedied the cause of its non-compliance, the affected Party may terminate this Agreement with immediate effect, and the affected Party shall also be open to the exercise of any of the legally established actions; and

- (iii) Due to the dissolution or liquidation of the Guarantee Agent.

12. Obligation to Indemnify

The Platform, the Principals and AGP REAL ESTATE 4, S.L. shall indemnify and hold harmless and free of any expense or damage the Guarantee Agent, its partners and the natural persons it designates as representatives with respect to any claim, action, demand, damage, cost or loss arising (directly or indirectly) or related to the provision of its services within the framework of the Contract; unless these are due to fraud or gross negligence on the part of the Guarantee Agent.

13. Confidentiality

Except as required by law or a judicial authority, neither Party may, at any time, disclose, communicate or disclose to any person or use any information relating to the Agreement or the Warranties (including the subject matter of such agreements) where such information is not generally known to the public at the time of its disclosure to the recipient (the "**Confidential Information**").

All of the foregoing, except in the event that one of the Parties is obliged to disclose any Confidential Information, by requirement of any applicable law or court order, as well as – specifically in the case of the Guarantee Agent – when in execution of this Agreement, it should disclose any Confidential Information.

Except in the cases indicated above, the Confidential Information may not be made known to third parties.

The duty of confidentiality provided for in this clause shall apply, even in the event of termination of the Contract, for a period of two (2) years from the date of effect of termination.

14. Protection of Personal Data

In accordance with the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data ("**GDPR**") and its concordant regulations, the parties to this Agreement on behalf of each of the Parties, By signing the Contract, they expressly give their consent for the purposes of their Personal Data being processed by the Parties as Data Controllers, in order to be used for the correct development and execution of the relationships that materialize with cause or origin in this Contract, as well as for the management and filing of the documentation related to it.

The Legal Basis for the processing of the Personal Data of the parties involved is, therefore, the maintenance, compliance, development, control and execution of the obligational and/or contractual relationship derived from this Contract.

Likewise, the Personal Data provided will be kept only for as long as it is strictly essential for the sole purpose of ensuring compliance with any legal obligations that, by virtue of this law, may correspond to the Parties, and in any case, during the term of the Contract.

The parties involved, under the terms established in the GDPR and other related regulations, may in any case revoke the consent granted for the processing of their Personal Data, as well as exercise their rights of access, rectification, deletion, opposition and portability, being aware by signing this document, of the right they have to file any claims with the corresponding supervisory authority.

The parties may exercise the aforementioned rights by contacting the address of each Party that appears in the heading of this Agreement, sending a written request, attaching a photocopy of their ID card, indicating in a visible place "*Ref. Data Protection*".

15. Assignment

The Principals may assign, transfer, substitute or subrogate, in whole or in part, the rights and obligations contracted in this Agreement. Notwithstanding the foregoing, the validity of the assignment will be subject to the registration of the new Investor on the Platform and its communication to the Guarantee Agent, provided that it promotes the appropriate modifications in the documents, both public and private, that have been granted in the exercise of its obligations contracted in this Agreement.

The Guarantee Agent, however, may not assign, transfer, substitute or subrogate, in whole or in part, the rights and obligations contracted in this Agreement without the express written consent of the Platform.

16. Miscellaneous

16.1. Modifications

The Platform will inform the other Parties of any modifications to the Contract that may occur as a result of changes in the applicable regulations or for any other objective reason or that are otherwise considered appropriate or convenient by the Platform.

Such modifications will be understood to be accepted if the Parties do not express their opposition in writing within 15 calendar days from their notification.

It is also indicated that the agreement adopted by the majority of the Investors in the manner provided for in clause 6 above, will bind all of them.

16.2. Independent nature of the clauses

In the event that any provision of this Agreement is held to be void, illegal or unenforceable in any respect, the validity, legality or enforceability of the remaining provisions of this Agreement shall in no way be affected or impaired by such provision. Subject to prior agreement with the Principal, the Agent undertakes to replace the provisions declared null and void or impossible to execute with valid ones, the economic consequences of which are as close as possible to those of the provisions affected by the nullity, illegality or impossibility of execution. To this end, the Agent undertakes to modify this Agreement accordingly.

16.3. Actions and non-existence of waiver

The rights, powers, and remedies set forth in this Agreement are cumulative and are not, and should not be construed as if they were, exclusive of any of the rights, powers, or remedies provided by law.

In no event shall the failure to exercise or delay by the Investor in exercising any of the rights, powers and remedies provided for by this Agreement or by law constitute a waiver of this Agreement. Similarly, no single or partial waiver of such rights shall prevent the subsequent or distinct exercise of such rights, or the exercise of any other rights.

16.4. Notifications

Any communication between the Collateral Agent and the Investors relating to the Contract must be made in writing, and the Collateral Agent must communicate it to the Platform, which in turn must communicate it to the Investor(s), and vice versa.

Communications of a general nature relating to this Mandate and those referring to it as a whole that must take place between the Principals and the Agent, and where appropriate with AGP REAL ESTATE 4, S.L., will necessarily be channelled through the Platform, in accordance with the provisions below:
