10.1. Loan

The Committed Contribution intended for the granting of the Loan in favor of ELLEN PROPERTIES will be governed by the terms and conditions established in this Agreement and in the Specific Conditions that are attached to this document as **Annex I**.

The Loan granted by the Investor is in the nature of a **financing product**, the return of which depends exclusively on the ability of ELLEN PROPERTIES, in its capacity as borrower, to meet its obligation to repay the interest accrued and principal of the Loan in a timely manner.

For information purposes only, it is expressly stated that the granting of the Loan by the Investor entails the assumption of a risk of (i) total or partial loss of the Committed Contribution; and (ii) failure to obtain the expected monetary return.

The Investor acknowledges that extraordinary circumstances not foreseen in the Project (but not limited to: falling prices in the real estate market, decrease in demand, increase in construction costs, delay in the administrative deadlines for obtaining permits or licenses, etc.) may lead to the monetary return to be obtained in the future being delayed or lower than its Committed Contribution, assuming in its capacity as lender the risk and risk of the execution of the Project.

The granting of the Loan will be formalized with ELLEN PROPERTIES by the Investor, represented by the Platform in accordance with the irrevocable mandate granted in Stipulation 2 above, in a private document.

10.2. Destination and purpose of the Loan

ELLEN PROPERTIES undertakes to allocate the funds received from the Loan solely and exclusively as indicated in this Agreement and, in particular, in accordance with the provisions of Stipulation 4 above.

The Loan shall be deemed to have been granted at the time of making the Loans available to ELLEN PROPERTIES once the Condition Precedent has been fulfilled, and therefore ELLEN PROPERTIES shall be obliged to repay from that moment

the amounts due as principal, to pay any interest, commissions, taxes and expenses accrued, as well as to comply with the other commitments for which it is responsible in accordance with the terms and conditions established in this Agreement.

ELLEN PROPERTIES undertakes to adopt, within its corresponding corporate bodies, and as soon as possible after the granting of the Loans in its favour, as many decisions and agreements as may be pertinent to comply with the Financing Objective.

10.3. Accrual of interest. Interest Period.

ELLEN PROPERTIES undertakes to pay interest on the Loan in favour of the Investor at the interest rate provided for in the Specific Conditions.

The principal of the Loan pending repayment at any given time will accrue interest on a daily basis in favour of the Investor at the corresponding interest rate set out in the Specific Conditions.

Interest will be understood to accrue on the basis of a year of three hundred and sixty (360) days and will be calculated by the days effectively elapsed in the Interest Period – as it is defined later – (at the end of which the initial day of the Interest Period will be understood, in any case, as effectively elapsed and the final day as not effectively elapsed).

The duration of the Interest Period will coincide with the duration of the Loan, as specified in the Specific Conditions, and therefore there will be a single interest or settlement period, which will therefore begin on the date on which the Loan must be understood to have been granted in accordance with the provisions of Stipulation 10.2 above.

The interest corresponding to the single Interest Period will be due on the maturity date of the same, coinciding with the maturity of the Loan and will be paid within a maximum period of ten days from its maturity. The Platform will carry out the distribution of the amounts paid by ELLEN PROPERTIES by reason of the Loan, paying the Investor the part that corresponds proportionally to him, net of tax withholdings if legally applicable.

10.4. Majority of Investors

The decisions that correspond to the Investors under the Loan will be adopted, unless otherwise expressly provided therein, by the Majority of the Investors, and any decision so adopted will be binding on each and every one of them.

"Majority of Investors" shall be understood to mean all the URBANITAE Investors whose participation in the Loan Amount pending repayment or repayment represents at any time more than fifty percent (50%) of the same.

For the above purposes, the Platform will inform the Investors of the decisions to be submitted for their consideration, which will be understood to be accepted by each Investor if they do not express their opposition in writing within 15 calendar days. Any decision made on the basis of the Loan

to Investors, shall be deemed to require the agreement of a Majority of Investors, unless otherwise indicated.

For information, the declaration of early maturity of the Loan, or the novation of the Loan, will be subject to the decision of the Majority of the Investors. Notwithstanding the foregoing, the decision on the enforcement of the guarantee(s) shall correspond exclusively to the Platform, which shall decide at its sole discretion on such enforcement for the proper management and safeguarding of the corresponding judicial process.

10.5. Mandatory ordinary depreciation

ELLEN PROPERTIES shall fully repay the Loan and repay all amounts due to the Investor under this Agreement upon the maturity of the Loan indicated in the Specific Conditions.

10.6. Voluntary early repayment

ELLEN PROPERTIES may repay the total amount of the Loan in advance, regardless of whether or not it coincides with the end of the Interest Period and prior notice to the Platform of at least twenty (20) calendar days. Early

repayment will include, together with the main object of repayment, all the interest that has accrued up to the date of early repayment, which, if repaid before month 7, must in any case include the amount of interest accrued in that period of time. ELLEN PROPERTIES will not pay any commission for early redemption.

10.7. Common Rules

ELLEN PROPERTIES' obligation to make payments to the Investor will be deemed satisfied when ELLEN PROPERTIES has sufficient funds to cover its payment obligation in the virtual account that ELLEN PROPERTIES has on the Platform, and it effectively does so.

ELLEN PROPERTIES is obliged to make and settle the withholdings on capital income that current tax legislation requires it to make at any time.

The payments derived from the Loan, both for principal, interest and expenses, will be made (i) either on the same day that the Loan matures or in accordance with the provisions of this Agreement for the early repayment of the same, or (ii) at the time they are due from the Investor in accordance with the provisions of this Agreement, by debiting these amounts into the corresponding account in the name of the Platform, without the need for prior payment order. ELLEN PROPERTIES undertakes to have sufficient funds in said account to meet the aforementioned payments.

The amounts received by the Investor as payment will be charged firstly to the reimbursement of expenses and taxes, secondly, to default interest, thirdly, to ordinary interest and, as far as it is exceeded, to the outstanding principal.

10.8. Late payment interest

Any delays that may occur, both in the payment of the principal and in the payment of the interest and expenses borne by ELLEN PROPERTIES, will accrue daily in favor of the Investors, the default interest indicated in the Particular Conditions, without the need for notice, from the day following the maturity or enforceability of the unpaid amount and until its full payment.

Late payment interest will be paid in one lump sum, together with the payment of the interest due or the principal of the Loan, as the case may be, or, failing that, on the date of maturity of the Loan or declaration of the early maturity of the Loan.

10.9. Joint and independent nature of each Investor's Loan

The contractual position assumed by each Investor vis-à-vis ELLEN PROPERTIES in relation to their respective Loan is of a joint nature, and therefore the rights and obligations of the Investor are independent with respect to the rest of the Investors, unless otherwise expressly established in this Agreement and subject, where appropriate, to the majority regime established in the Loan Agreement. binding the decision that may be adopted to all the Investors.

- ELLEN PROPERTIES undertakes to provide the Platform with the information or documentation requested by the Platform on its financial situation, within a maximum period of fifteen (15) days from the request and, specifically, to provide documentary evidence that they are up to date with the payment of their respective tax obligations, with the Social Security and with their workers.

- ELLEN PROPERTIES acknowledges and authorises the persons designated by the Platform to carry out all physical or documentary checks to verify the details described above, and to provide the requested supporting documents .

However, and as an exception to the above, ELLEN PROPERTIES may exercise the powers identified in numeral (iii) of the previous paragraph, without express authorization from the Investors in the event that such actions are executed in favor of the potential purchasers of the real estate units that make up the Development and in order to proceed with their effective transfer.

The obligations of information and authorisation to carry out document checks provided for in this clause for ELLEN PROPERTIES will also be applicable to any guarantor, pledgor or in general, to any guarantor of the Loan.

10.11. Loan Guarantees

In addition and without prejudice to the foregoing, ELLEN PROPERTIES will grant the following Committed Guarantees, which will be granted in a single act with the signing of the Loan Agreement, in order to ensure the complete and punctual fulfillment of the Guaranteed Obligations assumed by ELLEN PROPERTIES under the terms provided for in this Agreement:

To this end, the Platform may refer the legal claim to the unpaid debt collection agency with which it reaches an agreement for the claim of the payments due linked to its Loan.

Nor does it assume any liability arising from the Platform's failure to comply with any of its obligations in relation to the Loan and to the Investors.

Acceptance of your appointment as Collateral Agent does not imply, either expressly or impliedly, that you warrant or represent to the Principals or any third party that the Loan has been validly subscribed or that the Loan and the Financing Agreement are in accordance with applicable law; the Guarantee Agent is exonerated from any type of liability related to the Loan and the Guarantees.

The Warranty Agent assumes no responsibility for the authenticity, accuracy or correctness of the information that, by virtue of the provisions of this Agreement, is sent to it by the Platform. Nor does it assume any liability arising from the Platform's failure to comply with any of its obligations in relation to the Loan and to the Investors, or for the integrity, validity and effectiveness of the Guarantees granted by ELLEN PROPERTIES in relation to the Loan.

The Guarantee Agent will not be responsible, where appropriate, for the calculation, settlement or payment of the expenses and taxes corresponding to the constitution of the Guarantees, being the Principals who will be responsible in any case for any administrative requirement, payment of quota, interest and penalties that, where appropriate, impose the corresponding authorities for an incorrect calculation or defect of payment or payment after the deadline of the aforementioned tax.

In addition, the Investors shall not claim in any case from the Guarantee Agent any expenses, costs or taxes that have been accrued or will accrue in the future as a result of the creation, maintenance, execution or cancellation of the Guarantees, or in any other way in the exercise of the functions and responsibilities contained in this Agreement.

Voting will only be open to those natural or legal persons who, at the time of the decision, hold a percentage of the Loan (i.e. who are considered to be "Investor"), and excluding any third party assignee who has acquired a share in one or more of the Loans through channels other than the Platform and this has not been previously notified to Urbanitae at least five (5) business days before the Date of opening of voting.

The voting period will last five (5) Business Days (although it may be extended at the discretion of Urbanitae up to a maximum of fifteen (15) Business Days, on its own initiative or at the request of the Guarantee Agent), after which Urbanitae will communicate, through the Platform, the results of the vote to the Guarantee Agent and the Investors.

Once the Platform notifies the Collateral Agent of the adoption of an agreement by the Investors, the Collateral Agent must refrain from carrying out acts that may contravene such agreement, and must carry out any acts necessary, where appropriate, to allow or promote its implementation.

The agreement adopted by the Investors and communicated by the Platform to the Collateral Agent shall be considered binding in all its effects on the Collateral Agent, as well as on all Investors.
