

DECLARATION OF CONFORMITY

Fontaneto d'Agogna, 30th June 2009

The undersigned **CALEFFI S.p.A.**
manufacturer of components for heating and plumbing systems, with
its head office at Fontaneto d'Agogna (NO) – S.R. 229 n. 25 – ITALY

DECLARES

under its own responsibility that **the thermostatic control heads 200, 201 series in combination with the convertible radiator valves 338, 339, 401, 402 series:**

- are manufactured according to the state of the art, by respecting the UNI EN 215 technical specifications "Thermostatic valves for radiators. Requirements and test methods";
- have a test report issued 10th May 2007 by Laboratory of SIET S.P.A., report identification number 01310RP07, that confirms these series are in compliance with the European Standard already mentioned.

DECLARES

finally, that the technical features of these regulating devices respect what requested by Decree of Ministry of Economy and Finance of 19th February 2007 with subsequent amendments and additions, bearing: *"Provisions in the field of deductions for the energy requalification of existing buildings, in accordance with Article 1, paragraph 349, of the law 27 December 2006, no. 296".*
