Notes

Vast Resources plc is an AIM listed mining and resource development company focussed on the rapid advancement of high quality brownfield projects and recommencing production at previously producing mines in Romania.

Vast Resources currently owns and operates the Manaila Polymetallic Mine in Romania, which was commissioned in 2015, and is focussed on its expansion through the development of a second open pit operation and new metallurgical complex at the Carlibaba Extension Area. The Company's portfolio also includes an 80% interest in the Baita Plai Polymetallic Mine in Romania, where work is currently underway towards obtaining the relevant permissions to start developing and ultimately commissioning the mine.

The Company also has interests in a number of projects in Southern Africa including a controlling 25 per cent. interest in the producing Pickstone-Peerless Gold Mine and a 23.75% economic interest in the Eureka Gold Mine, both located in Zimbabwe.
