Vast Resources plc

("Vast" or the "Company")

Exercise of Warrants and Issue of Equity

VAST Resources plc, the AIM-listed mining company with operations in Romania and Zimbabwe, announces that, pursuant to the subscription agreements entered into with certain directors, senior executives or consultants of the Company (the "Managers") on 5 January 2016 (the "Managers' Subscription Agreements"), WES Capital (Pte) Limited, a company owned by a trust of which Pierre Joubert, Chief Financial Officer, is a beneficiary, has elected to convert 11,356,077 warrants issued under the initial subscription ("Warrants"). Notice of exercise of the Warrants was received by VAST on 18 March 2016.

Under the terms of the financing announced on 6 January 2016, the Managers may exercise the Warrants by exchanging them for new ordinary shares of 0.1p each in the Company ("Ordinary Shares"). The number of new Ordinary Shares to be issued to the Managers is calculated by dividing the aggregate Black-Scholes Value of the Warrants (as described below) by the closing bid price of Ordinary Shares on the trading day two days prior to the date on which the Warrant exercise notice is received by the Company, being 0.42p. Accordingly, the Company has today issued 18,518,516 new Ordinary Shares to the WES Capital (Pte) Ltd.

No net cash is due to the Company as a result of the exercise of the Warrants.

Application will be made to the London Stock Exchange plc for 18,518,516 new Ordinary Shares to be admitted to trading on the AIM market with admission expected to occur on or around 30 March 2016 ("Admission").

The new Ordinary Shares rank *pari passu* in all respects with the existing Ordinary Shares. There are no Ordinary Shares held in treasury. 2,079,908,596 represents the total number of voting rights in the Company and may be used by shareholders as the denominator for the calculations by which they can determine if they are required to notify their interest in, or a change to their interest in the Company under the Financial Conduct Authority's Disclosure and Transparency Rules.
