During this challenging time we would like to help and support each other as a community. You are not alone and support is here, for shopping and friendly phone calls.

The community has divided the village into 24 small groups of houses, each with a co-ordinator, to help those in need. It is hoped that each group will work as a team to help each other.

If you are happy to be part of your group, or need help, please fill out the form below.
