

## **Junior Bunker Trader**

### **Context**

Minerva is looking to further strengthen our European based Bunkering team and have an exciting opportunity for a Junior Bunker Trader to join our team based in Las Palmas, Spain.

### **Job description**

The Successful candidate will work closely with Senior Bunker Traders to secure new business, maintain and develop solid relationships with clients and key business contacts. The role provides an opportunity for a graduate level individual to become familiar with Minerva's customers and suppliers and whilst developing within the role become a reliable point of contact for customer requests and transactions. The junior bunker trader will also assist the Las Palmas based bunkering team with ad-hoc administrative duties as of when required.

### **Skills and competencies**

- Fluent English language skills required
- French language skills are desirable
- Shipping/Finance background desired
- Bachelor's degree
- Professional integrity and absolute discretion
- Positive and committed
- Excellent communication skills
- Dynamic, creative and Pro-active Team player
- Good attention to details
- Ability to develop and maintain professional relationships with both colleague and customers on various levels
- Flexible and ability to multi task in a dynamic and fast paced environment

Minerva, fully owned by Mercuria Group (one of the world's largest independent energy and commodity groups) is a key player in the bunkering business which is showing a strong and consistent growth. Thanks to its Financial strength, Risk Management capabilities well above industry standard, synergies with Mercuria Cargo desks and Banking Linkages the Company is developing a strategic position in the Bunker industry in conjunction with parent Company Mercuria.
