

Senior Bunker Trader

Context

Minerva is looking to further strengthen our European based Bunkering team and have an exciting opportunity for a Senior Bunker Trader to join our team based in Las Palmas, Spain.

Job description

The Successful candidate is expected to have an existing client base and ensure continuous business from both customers and local suppliers. In depth knowledge of the International Bunkering business is expected to be applied as part of the role developing new business whilst carrying out analysis and monitor global demand. The role holder will manage and be responsible for own PnL.

Skills and competencies

- Fluent English language skills required
- French language skills are desirable
- 5-10 years bunker trading experience
- Commodity trading/retail/ shipping background
- Professional integrity and absolute discretion
- Positive and committed
- Excellent communication skills
- Dynamic, creative and Pro-active Team player
- Good attention to details
- Goal oriented
- Flexible and ability to multi task in a dynamic and fast paced environment
- Team player with strong ambition and self- drive

Minerva, fully owned by Mercuria Group (one of the world's largest independent energy and commodity groups) is a key player in the bunkering business which is showing a strong and consistent growth. Thanks to its Financial strength, Risk Management capabilities well above industry standard, synergies with Mercuria Cargo desks and Banking Linkages the Company is developing a strategic position in the Bunker industry in conjunction with parent Company Mercuria.
