The job

- Ensure compliance with agreed charter party terms
- Communicate with charterers, brokers, agents, partners and vessels regarding planning, voyage orders and vessel itineraries
- Ensure that the operational systems, processes, files, procedures and policies are maintained and up to date
- Monitor vessel movements, voyage performances and constantly look to optimize where possible
- Provide and uphold a high level of service to all stakeholders
- Review vessel stowage and tank cleaning plans
- Keep track of vessels approvals and vetting scheme
- Handling invoicing, demurrage, claims and collection of freight.

Skills and experience

- Experience from a similar role in the tanker trade or as ship agent is preferred
- Sound commercial awareness
- Solution-oriented with an eye for details
- Self-motivated and able to work with minimum supervision
- Good oral and written communication skills
- Fluent in English (spoken and written)
- Service-minded team player with good cooperative skills.

You will work at our office in Aalborg and be part of an international trade and shipping environment with four sister companies within A/S United Shipping and Trading Company located at same address at Aalborg's beautiful harbor front. The right candidate is offered a competitive remuneration package including pension, health insurance etc.
