

JOIN OUR TEAM OF ASSOCIATES

With us, you get to learn from the best. As a Tier 1 Corporate M&A law firm, we operate a truly international practice, and we take pride in training our Associates to navigate an international scene. Our hands-on approach and the high level of responsibility that you are expected to take is part of what places our Associates among the most experienced in Denmark.

We are competitive, but in a healthy way - and never towards each other. Our remuneration system is based on the lock-step model for all employees, which creates an equal compensation system.
