

Senior Accountant

COMPANY PROFILE

Rapidly expanding international biotech company in the healthcare industry is looking for a structured team-player.

Y-mAbs is experiencing exciting times; the company is well funded and expanding significantly, following approval of its first product, in November 2020. Our second product is expected for BLA submission in the beginning of 2021 and we have an interesting pipeline with several compounds entering clinical development.

We expect that

You have a structured and proactive mind-set, as you will be working in an ever-changing environment. You work well both independently and in teams. You manage and prioritize your tasks and deliver within agreed deadlines. You see opportunities where other see problems. You aim to perform the job with the highest quality and take pride in securing good accounting hygiene.

Work on a wide array of tasks

To support the company's expansion, we are looking for an experienced and ambitious colleague. You will be joining a dedicated finance team of four colleagues located at our office in Hørsholm.

As member of the finance team, you will take on different accounting tasks such as:

- Monthly closing procedures, e.g. account reconciliations and preparing of journal entries
- Ensure compliance with internal control requirements (Sarbanes Oxley)
- Managing the accounting from a-z for Y-mAbs entities in cooperation with our Financial Accountant
- Review of contracts and legal agreements to ensure that all financial obligations are recognized
- Preparation of quarterly and annual audit documentation
- Assisting with ongoing process optimization
- Participation in several ongoing and ad hoc finance projects

Your daily tasks will span across many areas and will develop over time as we continue to expand our business.

Qualifications

The ideal candidate must hold, as a minimum requirement, a bachelor's degree in accounting, finance or equivalent. You have good language skills and speak and write English fluently. You have solid experience with Excel and Microsoft Navision.

You have at least 10 years of relevant work experience. Preferably you have experience working in a growth company or in a similar position.

It is important that you have a good sense of humor and have a natural interest in your colleagues.

We offer

An exciting and motivating work environment in modern offices. We offer a competitive salary package including health insurance. You will be working for a good course in the healthcare industry and from day one be invited to a network of new great colleagues.

The position is full-time.

Interested?

If you want to know more about the position, you are welcome to contact Marc Krol Lundtang, Finance Manager at +45 3153 0510.

You can apply for the position sending an email to hr@ymabs.com **no later than January 20, 2021**. We will initiate interviews in a rolling manner as applications are received.

Please note that applications must be submitted in English and will be treated confidentially. Mark your applications with position ID number: 1028.
