

Integrity Bulk Aps is looking for an experienced Operations Controller/Accountant to join our team in Hellerup.

Your primary area of responsibilities will be:

Updating our Operation System (Softmar) in cooperation with the Operations department when it comes to:

FDA's, Pilotage, Towage, Miscellaneous expenses and Broker commissions

Assist with the financial finalization of voyages

Domestic and international bank payments and Monthly reconciliation of bank accounts

Registration of bank payments in our Finance system MS Dynamics NAV (Navision)

Registration of hire-statements in our Finance system

Registration of FDA's in our Finance system and follow up on outstanding balances with Agents

Ad hoc general office task

We envisage you have a background in Finance as well as solid experience as Operations Controller from a similar position within the shipping industry, preferably within Dry Bulk.

The ideal candidate would have solid experience with Navision.

If you are interested, please send your application and CV to:

Soren Hahnemann
