

ACCOUNTANT

DRY BULK

Celsius Shipping is a fully integrated shipping company with focus on special situation opportunities in dedicated shipping segments.

In partnership with blue chip investors, Celsius Shipping has built a presence within Chemical Tankers, Dry Bulk and LPG Carriers via timely acquisition of assets and with dedicated focus on attractive opportunities for expansion within our existing businesses.

Celsius Shipping offers a position as accountant for the dry bulk business which currently counts 13 modern Supramax/Ultramax vessels.

We seek a dedicated, detail-oriented and independent accountant with a strong desire to be part of a small dynamic team with aspirations to do more. We trust our new colleague is super-efficient, has good team spirit, and is able to communicate with all layers across the organization including international counterparties. We imagine you are currently an accountant at one of the Danish shipping companies.

Key responsibilities

- Account receivables/payables
- Book keeping inclusive depreciations and accruals
- Monthly bank-, debtor- and creditor-reconciliation
- Monthly and annual financial reporting

Required:

- Minimum 3 years' experience as an accountant at a shipping company
- Fluency in English and Danish language
- Experienced user of Microsoft Excel

When:

Preferably soonest possible but we will wait for the right person.

Application to be forwarded to mh@celsiusshipping.com or by mail no later than 24 March 2017.

For further information, please contact Morten Henriksen (+45 4595 0004) or by email mh@celsiusshipping.com
