

Investment Analyst

... to the fastest growing Danish Shipping Company

Celsius Shipping offers an attractive position as Investment Analyst in the Business Development & Investments department. You will become part of a dynamic and challenging business with attractive personal development opportunities for the right candidate.

Celsius Shipping was founded in 2012 and is a full-service ship owning company with a strong growth story. The company has its offices in Copenhagen, Monaco, South Korea and Hong Kong.

Celsius Shipping has been one of the most active maritime investors, currently with an invested capital of USD 3.1bn. Together with our international equity partners, we have built a strong presence in the major shipping segments via timely acquisition of maritime assets.

Celsius is recognized as one of the leading maritime transportation investment platforms through our performance, our people and our commitment to delivering superior value to our partners.

As part of a continuous and ambitious growth plan, we seek an Investment Analyst to join the Business Development Team with focus on fulfilling an ambitious growth strategy.

As an integral part of the Business Development & Investments team, you will work closely with Senior management to support and service our current and new potential capital partners. Celsius Shipping invests together with a select group of blue-chip international investment funds in special opportunity deals. Celsius sources, originates and manages all transactions.

You will be surrounded by highly motivated, skilled, and experienced colleagues with a solid track record in their respective positions. Furthermore, you will become part of an environment with a unique and unparalleled recent growth story within Danish shipping.

The Position:

- Versatile and challenging position with a steep learning curve in a dynamic organization.
- Analyst assignments may include, but are not limited to:
 - Cash Flow Modeling and Investment Analysis

- Market Research and Industry Analysis
- Analysis and monitoring of new and existing investments
- Drafting pitch material for capital raise purposes
- Participation in due diligence processes around transactions.

The Profile:

- A Master's degree in Economics, Finance, or equivalent, with top quartile academic credentials.
- A few years of relevant work experience, either part or full-time, within investment management, investment banking, private equity, consulting, or similar finance background is an advantage.
- Result-driven and motivated to work with investments in the maritime industry.
- Strong analytical capabilities and knowledge/interest within investment modelling/analysis, corporate finance and accounting.
- Attention to detail and ability to consistently work in a structured way with high quality output.
- Team player mentality, commercially minded and flexible regarding working hours.
- Experienced and advanced user of both Excel and PowerPoint.
- High energy level.
- Native proficiency in Scandinavian language and strong verbal and written communication skills (English).

We offer:

- A competitive salary package and employee benefits
- An opportunity to work from Monaco or Copenhagen in a dynamic and international environment
- A challenging and rewarding job with a high degree of responsibility
- The opportunity to be part of a successful team with competent and supportive colleagues
- An attractive career path within investments and corporate finance in the maritime industry
