

BUREAU VERITAS OFFERS AN ATTRACTIVE JOB POSITION IN AN INTERNATIONAL MARINE ENVIRONMENT

Become our new Marine Surveyor in Fredericia

Bureau Veritas Marine & Offshore in Denmark is looking for a Marine Surveyor to join its team of highly trained and educated Marine Surveyors at its office in Fredericia, Denmark.

The vacant Marine Surveyor position will primarily serve our clients in Denmark, however travel activities to other countries must be expected. The job primarily consists of surveys and audits at manufacturers of ships and offshore equipment, surveying and auditing of ships in service. This means that you will work on ships, shipyards as well as factories.

Preferable education, qualifications and characteristics:

- The preferred candidate focuses on safety first, adding value to our clients and has strong communications skills
- Formal Qualifications as marine engineer, naval architect or mechanical engineer with experience in shipping
- Experience as ISO 9001 or ISO 14001 auditor is regarded as an advantage
- Good IT-skills
- Fluent in Danish and English - both in verbal and writing.

You offer:

- Enthusiasm and a can-do attitude
- A willingness to travel to serve our customers in both Denmark, Faroe Islands, Greenland, Sweden, Iceland
- The flexibility and commitment to work long hours and weekends, if necessary
- The ability to enter into a teamwork where we share our knowledge and work according to best practices

We offer:

- A challenging and independent job in an busy international marine environment
- Opportunities for personal development and growth within the Bureau Veritas network
- A tailor-made training program of 3-6 months to ensure individual training needs are met
- Remuneration packages in line with the job applicants' background

Interested?

Please send your application letter and CV in English language not later than September 20th 2017 through our external career site;
