

November 2025

Rosan Bosch Studio is looking for a **Digital Communications Creative**

Apply, if

- You are passionate about social media and strategic international communications.
- You are a creative writer who can produce compelling content in English.
- You are a first-mover and curious about new digital tools.
- You are interested in innovation in education.

Rosan Bosch Studio works globally with the design and architecture of innovative learning environments. Our approach is multi-disciplinary. We aim to empower and motivate learners everywhere with playful, imaginative, and flexible learning spaces. We work all over the world, i.a., Argentina, Belgium, Denmark, Mexico, Norway, Peru, Portugal, Qatar, Saudi Arabia, Spain, Switzerland, Taiwan, and Uruguay.

You will work in our office in Copenhagen. We need a creative writer, full of energy and ideas, and interested in education, design, and architecture. You will work closely with Rosan Bosch, the management, and our project developers.

Your job

- Produce content for social media, website, and newsletter
- Develop strategies for digital communication
- Reach out to relevant media and pitch stories
- Management of digital media relations and proactive digital media efforts
- Build relations with social media content producers
- Ad hoc communication tasks, e.g., short videos, presentations, and texts

Your profile

- A relevant university degree in marketing, communications, journalism, or similar
- Experience with content production for social media, especially Instagram and LinkedIn
- Tech-savvy first-mover
- Creative writer in English and another language (Danish is not a requirement)
- Strong sense of visual communication
- Independent and highly structured
- Proactive, curious, and flexible
- Knowledge of required digital tools
- Interest in innovation in education
- Global mindset

We offer

- 
- Full-time, permanent job
  - A young and international working environment in the heart of Copenhagen
  - Fantastic development opportunities

Send your application and CV immediately to [jobs@rosanbosch.com](mailto:jobs@rosanbosch.com) and write "SoMe Manager" in the subject field. We need you as soon as possible and invite for interviews on an ongoing basis. We expect the candidate to start no later than January 5<sup>th</sup>, 2026.
