

A.P. Møller Capital Investor Relations Associate

Appetiser

A.P. Møller Capital offers an exciting and attractive role in an international environment and a unique opportunity to apply your Investor Relations experience in the company behind the Africa Infrastructure Fund.

We offer

A.P. Møller Capital is a newly registered Private Equity fund manager based in Denmark. At present, we manage the Africa Infrastructure Fund, an investment fund focusing on Africa infrastructure with a purpose to support sustainable economic growth and prosperity on the African continent.

We are a small, highly energised organisation. We work hard, and we have fun doing it. As a team, we see our different backgrounds and experiences as a genuine source of strength and we respect each other's work-life choices. Our structure is lean and flat, which gives you the opportunity to work independently as well as collaborating across functions.

As IR Associate, you are based at our Head Office in Copenhagen, reporting to the MD, Head of IR.

The role offers great opportunities for working on effectively communicating A.P. Møller Capital's strategy and performance to current and future investors in a newly established fund.

A.P. Møller Capital has a branch in Dubai and future portfolio investments in Africa, hence you should expect some travel to be required.

Key responsibilities

Your key responsibilities will include:

- preparing financial and other communication including but not limited to Investor presentations, Board updates and Q&A's;
- Assist with relationship management between A.P. Møller Capital and potential and current investors
- conducting research of potential new investors, peers and potential competitors;
- preparing for investor meetings both in Denmark and abroad;
- developing and maintaining A.P. Møller Capital's electronic investor communication, and support general communication efforts;
- prepare special projects for the MD, Head of IR including various analyses, modeling and research.

Who we are looking for

You have 3-5 years' experience in a larger IR organization and is attracted by the change to be part of building up the IR function in a newly established fund. Experience from Private Equity is essential.

We also expect that you have:

- a Master's degree in Economics, Finance or similar relevant degree; alternatively, a Bachelor's degree supplemented by relevant professional experiences
- strong financial, analytical and quantitative skills;
- excellent written and oral communication skills;

- strong interpersonal skills, a great can-do, team-oriented attitude
- thrive in a busy environment, working with complexity and ambiguity;
- are motivated by the international scope of our business.

Our working language is English, and you must be fluent verbally and in writing. Speaking Danish is not a requirement. A work permit is required, if you are not an EU citizen.

Deadline for applications: 19 March 2018 (Jobindex.dk / FinansWatch.dk)
