Controller

Fortuna Seaside Bulk Carriers A/S is looking for a Controller to work closely with the Company's Operations and Accounts Departments.

The ideal candidate has a background from a similar position with an Shipowner or Ship Operator.

Fortuna Seaside Bulk Carriers A/S and affiliated companies operate a fleet of timechartered modern handysize bulk carriers. Further information about the group can be obtained from the company website: www.fortuna-seaside.com

We offer an attractive package (which include flexible working hours – working part time will also be possible) and great opportunities to the right candidate.

For further information please contact Annette Gulmark on +45 4024 0084.

Please forward your CV to hr@fortuna-seaside.com
