

## Trial Nation is looking for a colleague exploring Virtual Clinical Trials...

### Do you want to be part of shaping the clinical trials of the future?

Trial Nation is a public-private partnership with a scope to establish Denmark to a preferred country for running clinical trials. We are now looking for a colleague to work with us on a project performing clinical trials in a virtual setting. This is a project-based employment starting latest November 1<sup>st</sup> 2019 and until fourth quarter 2021. There is a possibility to work part-time (80%).

### Your profile

You are experienced in clinical trials methodology and GCP. You have worked as a project manager or similar at least a few years. You know the regulatory framework for clinical trials well and are up to date with the latest technologies in clinical trials and are interested in the use of technology in clinical trials. Furthermore, you thrive on creating results together with others and are proficient in creating and maintaining networks in order to do so. You are fluent in English, written and spoken and you can communicate in Danish, written and spoken.

### We offer

We offer an exciting role as project lead in Trial Nation with placement in central Copenhagen. This is an opportunity to be part of a close-knit team with members from Trial Nation and other organisations and to play an active role in establishing attractive framework conditions for digital clinical trials in Denmark.

### Application

Please send your application to CEO Marianne Pilgaard at [map@trialnation.dk](mailto:map@trialnation.dk) no later than **September 29<sup>th</sup> 2019**. Applications will be reviewed on an ongoing basis. Mark your application "Project lead".
