

## Senior Medical Writer with Scientific Focus

Y-mAbs is a listed biotech company based in Hoersholm and New York. We develop new treatment options for pediatric cancers. Y-mAbs Therapeutics A/S (Y-mAbs) is expanding and is now looking for an experienced Senior Medical Writer in a newly established position.

Are you our new Senior Medical Writer in a busy and ambitious working environment? This is your opportunity to join a dedicated team of professionals and become an important part of the Clinical Development staff of an innovative biopharmaceutical company.

Y-mAbs is facing an exciting time planning for BLA and MAA submissions, as well as initiating clinical development for new projects.

As Senior Medical Writer you will have a key role in all our ongoing and future projects and activities with focus on support to our medical team in matters of scientific publications and regulatory documents. You will thus actively be supporting Y-mAbs' overall goal of developing new and innovative treatment predominantly for pediatric but also later for adult cancer patients.

We work in close collaboration with CROs and you will be involved in the securing the information to and from these related to medical writing activities. Moreover, you will be responsible for proper documentation and record management.

### Key responsibilities:

- Preparation and authoring of abstracts and posters for scientific presentations
- Support to various regulatory and scientific documents upon request
- Review/ author of clinical trial documents e.g. protocols, and protocol amendments
- Support to other functional areas on communication best practices
- Preparation and gate-keeping of regulatory clinical documents (e.g. Clinical Trial Protocols/Reports, Investigator's Brochures, and DSUR)
- Planning and coordination of activities in a cross-functional setting
- Contribute to the continuous improvement of YmAbs' procedures and secure best practices

### Personal and professional qualifications

- You have at least 5 years of experience as Medical Writer, preferably at least 2 years at a senior level
- You have a proven track record as medical writer on scientific presentations
- Experience in preparation of posters/ slide presentations an advantage
- You have a university degree within Natural Sciences incl. skills within scientific research methods.
- You have the ability to drive, manage and write concise and targeted regulatory, scientific documents in collaboration with many stakeholders
- You have analytical skills and the ability to work with large amounts of information
- You are structured with an eye for detail
- You are self-driven and can work independently
- You have excellent communication skills

- Our company language is English, so your communication in both written and spoken English is fluent

**YmAbs offer:**

- An exciting work environment where challenging assignments will come your way
- Great office location at DTU Science Park including canteen and easy parking
- Competitive salary package

For more details about the job or our company, please contact René dePont Christensen (Director of Biometrics) at +45 5379 1088. Please note that all applications must be submitted in English and will be treated confidentially.

**Deadline:** please apply to [info@ymabs.com](mailto:info@ymabs.com) by 20<sup>th</sup> November 2019. We will initiate interviews in a rolling manner as applications for the job are received.
