

Protocols for Practice Games and Practices during JR Women's World Championship

The City of Clearwater is proud to host the WBSC Jr. Women's World Championship. We would like to extend the opportunity for visiting teams to get additional practice games or practices in while they are in town.

- To be eligible for complimentary field space to conduct practice games and practices all participating teams must be fully registered in the WBSC Jr. Women's World Championship event.
- We will do our best to make accommodations, but we ask that all requests be made 2 weeks prior to the start of the tournament.
- All practice games and practices will be located at Countryside High School, Countryside Community Park fields 2 & 5, and Jack Russell field.
- One 2 hour time block will be reserved for each team per day.
 - 1 hour in the cages (where available) and 1 hour on the field.
 - Additional requests will be considered within 2 weeks of the tournament if there is availability on a first come, first served basis.
- Staff will try to accommodate all requests, but can't guarantee all will be fulfilled.

Countryside High School field, Countryside Community Park fields 2 & 5, and Jack Russell field

- Practice games and practices can be scheduled from 8am until 9pm Monday – Sunday.
 - Last practice games of the day must start by 6pm.
- Maintenance staff will refresh field:
 - Between double headers or before each game.
 - Fields will not be refreshed if a practice is scheduled after game.
 - After two consecutive practices and before the third practice.
- Warm ups must be done in designated areas and limit repetitive area on the fields.

Batting Cages (Countryside High School and Countryside Community Park)

- Cages will be made available from 8am until 9pm Monday – Sunday.
- One 1 hour time block will be reserved for each team per day.
 - Additional requests will be considered within 2 weeks of the tournament if there is availability on a first come, first served basis.
